Ecstasy, or extasis, is the Greek term for trance, and is linked with a pleasurable, God-given state of out-of-body experience recorded throughout the New Testament and the church age. Starting with the apostles ecstatic experiences on Pentecost, the Book of Acts further records trances in the lives of Peter and Paul. From the early church to the Christian mystics of the Middle Ages and the famous revivalists of centuries present, God's movements on the earth have always been marked by these supernatural experiences. In this book, John Crowder takes us on a journey from Old Testament ecstatic prophets such as Samuel and Elijah, to the future ecstatics who will usher in a massive wave of harvest Glory to the streets in these last days. God has always wanted a people who live in the Heavens, even as they walk on the Earth. And the world is hungry for the demonstration of a gospel of supernatural power that flows from a life of divine pleasure. More than a state of mind, you will see how the nature of God's ecstasy is found in the joy, bliss and inner raptures of His presence. In this book, you will be encouraged to drink from the river of His pleasure! (Ps. 36:8)

Join historian Roberts Liardon on a riveting journey through the life of Kathryn Kuhlman, one of the most fascinating women of the 20th century. In this study of a miraculous healing

ministry that spanned a half a century you will: Read about the countless thousands who were healed in her presence--often without her ever laying a hand on them. Learn all about her vitality and victory, her tragedies and triumphs, and how she used them all to draw her ever closer to Jesus. Find out how she was able to allow the Holy Spirit to become her best Friend and greatest Teacher--and how you can, too.

Stacey Campbell, a respected teacher and regular and high-profile recipient of the gift of ecstatic prophecy, explains the ins and outs of this remarkable mode of prophecy.

Combining the most inspiring of three best-selling books, this 365-day guide to prayer and miracles feeds you daily manna from Heaven. Your spirit will be enlightened and your soul strengthened as you face each day's glories and glooms. You are the God who performs miracles; You display your power among the peoples (Psalm 77:14). The best from *The Supernatural Power of a Transformed Mind*, *Dreaming With God*, and *When Heaven Invades Earth* gives you the power to daily walk out of religious boundaries toward your Christian inheritance of healing, signs and wonders, and infinite possibilities. You can experience *A Life of Miracles* one beautiful day at a time!

Helen Keller and her teacher, Annie Sullivan, remain two of the best-known American women. But few people know how Sullivan came to her role as teacher of the deaf and blind Keller. Contrasting their lives with Franklin Benjamin Sanborn, the era's prominent abolitionist, this book sheds light on the gender and disability expectations that affected the public perception

of Sullivan and Keller. This book provides a fascinating insight into class, ethnicity, gender, and disability issues in the Gilded Age and Progressive-Era America.

When the Church gets lost in the maze of competing cultural agendas, its revolutionary message and life-giving influence are compromised and eventually consumed. This increasing marginalization is exactly what began to happen in the latter half of the twentieth century. Many say the answer is for the Christian community to seek a more prominent position in society, but respected teacher and bestselling author Robert L. Wise contends that we must confront the surrounding culture with a deeper understanding of Christ's resurrection. Only by recovering and sharing the resurrection of the living Lord can the Church reclaim the experience of the first believers, who found in the resurrection a doorway to personal redemption that, in turn, transformed society around them. *The Son Rises* is a fresh exploration of Jesus Christ's resurrection from the dead and his promise of continuing relationship with those who believe in him.
