Famously adapted into the iconic film starring Michael Caine, Get Carter—originally published as Jack’s Return Home—ranks among the most canonical of crime novels. With a special Foreword by Mike Hodges, director of Get Carter It’s a rainy night in the mill town of Scunthorpe when a London fixer named Jack Carter steps off a northbound train. He’s left the neon lights and mod lifestyle of Soho behind to come north to his hometown for a funeral—his brother Frank’s. Frank was very drunk when he drove his car off a cliff and that doesn’t sit well with Jack. Mild-mannered Frank never touched the stuff. Jack and Frank didn’t exactly like one another. They hadn’t spoken in years and Jack is far from the sentimental type. So it takes more than a few people by surprise when Jack starts plying his trade in order to get to the bottom of his brother’s death. Then again, Frank’s last name was Carter, and that’s Jack’s name too. Sometimes that’s enough. Set in the late 1960s amidst the smokestacks and hardcases of the industrial north of England, Get Carter redefined British crime fiction and cinema alike. Along with the other two novels in the Jack Carter Trilogy, it is one of the most important crime novels of all time. From the Trade Paperback edition.

Evangeline Teale has been living a quiet, low key life but then her lover from her thousand lifetimes returns once more to try for a happily ever after, now that she's removed her cruel father from her life-permanently. Ardis finds his status as a vampire distasteful and longs to be a living being again. He persuades Evangeline to kill her wicked witch mother before she decides to kill her. He also wants her help locating an ancient grimoire that may contain a spell that will change him back to a living human being again, only the last known place the spellbook was was in the hands of the powerful vampire who changed Ardis centuries ago. There is much at stake as they struggle to not lose one another again in this lifetime. Will they succeed in finding their happily ever after at long last?

India's history and culture is ancient and dynamic, spanning back to the beginning of human civilization. Beginning with a mysterious culture along the Indus River and in farming communities in the southern lands of India, the history of India is punctuated by constant integration with migrating peoples and with the diverse cultures that surround the country. Placed in the center of Asia, history in India is a crossroads of cultures from China to Europe, as well as the most significant Asian connection with the cultures of Africa. The Historical Dictionary of Ancient India provides information ranging from the earliest Paleolithic cultures in the Indian subcontinent to 1000 CE. The ancient history of this country is related in this book through a chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries on rulers, bureaucrats, ancient societies, religion, gods, and philosophical ideas.

A multi functional and useful notebook for all ages.It is like a calendar with 7 days after each illustration, however, there is not dates of days or names of months, or a year mentioned. You can buy this as a gift for a birthday or any other important occasion. This book has 53 weeks, so a full year is covered and some spare days left. Nice dolls' illustrations shows you some simple exercises, but some abstract drawings in combination with little earthy and alien creatures could be used for colouring. I wish you the best days with this notebook.

This book constitutes the revised selected papers of the 12th International Workshop on Information Search, Integration and Personalization, ISIP 2018, held in Fukuoka, Japan, in May 2018. The volume presents 1 invited paper as well as 7 revised full papers, which were carefully reviewed and selected from 13 papers submitted to these post-conference proceedings. The papers are organized in topical sections on data integration; text and document management; advanced data mining techniques.
