More Than A Skeleton - HarperCollins Publishers UK

Now, in More Than a Skeleton, Dr. Weber plays an integral part in the investigation of what is either a convincing, dangerous hoax or the return of Christ. When Joshua Ben-Yosef, an Israeli from Galilee-born in Nazareth to parents Mary and Joseph-begins assembling twelve followers, attracting crowds, and performing miracles, the world takes notice.

Paul L. Maier's More Than a Skeleton (2003) is the sequel to A Skeleton in God's Closet. Unlike the first book that almost exclusively focuses on an archaeological discovery and its implications for the Christian faith, this book deals only cursorily with archaeology while presenting another challenge to fundamental Christian beliefs.

Scelidosaurus: ready for its closeup at last. The first complete dinosaur skeleton ever identified has finally been studied in detail and found its place in the dinosaur family tree, completing a project that began more than 150 years ago.

Scelidosaurus: ready for its closeup at last

When designing skeleton screens, I recommend using motion to further decrease perceived duration time; Skeleton screens that leverage motion that moves from left to right (e.g. a wave or shimmer like animation, much like Facebook or Google uses) are perceived as shorter in duration than skeletons that pulse (opacity fading in and out)
