Western Sahara was partitioned between Morocco and Mauritania in April 1976, with Morocco acquiring the northern two-thirds of the territory. When Mauritania, under pressure from Polisario guerrillas, abandoned all claims to its portion in August 1979, Morocco moved to occupy that sector shortly thereafter and has since asserted administrative control over the whole territory. [83]

Western Sahara - Wikipedia  
Morocco on Thursday became the fourth Arab state this year, after the United Arab Emirates, Bahrain and Sudan, to announce it had agreed to normalise relations with Israel. U.S. President Donald Trump, in turn, backed Morocco's contested sovereignty over Western Sahara, something Morocco has spent decades trying to gain support for.

U.S. adopts map of Morocco that includes disputed Western ...  
After annexing the former Spanish colony of Western Sahara in 1975, Morocco fought for control of the territory until a US-backed, UN-brokered cease-fire ended hostilities in 1991. Last month, the leader of the Algeria-backed Polisario Front announced the three-decade cease-fire with the country was over as a result of Morocco's recent border operations.

Trump announces Israel-Morocco normalization deal - Al ...  
Western Sahara is a disputed and divided former Spanish colony, mostly under Morocco's control, where tensions with the pro-independence Polisario Front have simmered since the 1970s.
