An in-depth treatment of the international financial arena Multinational Finance, Fifth Edition assumes the viewpoint of the financial manager of a multinational corporation with investment or financial operations in more than one country. This book provides a framework for evaluating the many opportunities, costs, and risks of

Online Library Multinational Business Finance 11th Edition

multinational operations in a manner that allows readers to see beyond the math and terminology surrounding this field to realize the general principles of multinational financial management. Logically organized and written in a clear, non-technical style, this book includes information on international finance topics such as foreign exchange, currency and derivatives markets, currency risk (transaction, operating, and translation) management, country risk, international taxation, capital structure, cost of capital, and international portfolio diversification. It also offers unique

Online Library Multinational Business Finance 11th Edition

chapters on multinational treasury management, the rationale for hedging currency risks, options on real assets, international corporate governance, asset pricing, and portfolio management. Emphasizes the managerial aspects of multinational finance with graphs, figures, and the use of numerous real-world examples Expands on the treatment of parity disequilibria to include exchange rate expectations that differ from parity and a project's operating exposure to currency risk Provides an overview and comparison of the various derivative instruments and their use in risk hedging

Online Library Multinational Business Finance 11th Edition

Contains valuable insights on valuation and management of a multinational corporation's investments. If you're looking for the best way to gain a firm understanding of multinational finance, look no further than the fifth edition of this classic text.

Prepare for success in international finance with this best-selling book's effective presentation of in-depth theory and practical applications. INTERNATIONAL FINANCIAL MANAGEMENT, 11E builds on the fundamental principles of corporate finance to provide the timely information and contemporary

Online Library Multinational Business Finance 11th Edition

insights needed to prosper in today's global business environment. This book discusses a wide range of managerial topics using a strong corporate perspective. This edition highlights financial reform and its impact on the international finance today. An emphasis on the most recent financial changes and industry trends further prepares readers to understand and effectively manage within the dynamic field of international finance.

are encouraged to actively learn and retain tough course concepts.

Now in its 10th edition, Business Finance is an essential introduction to financial decision-making in businesses. Taking a user-friendly approach, it explores the type of investments a business should make and how they should be financed, and successfully blends the theoretical, analytical and practical aspects of finance and investments. The new edition has a strong real world focus, exploring the theories surrounding financial decision making and relating these

Online Library Multinational Business Finance 11th Edition

theories to what happens in the real business world. Key features: An extensive range of up-to-date real-world examples Examination of the divergences between theory and practice Expanded explanations of complex theories Comprehensive coverage of the latest international issues Clear design and pedagogical features for enhanced readability and quick reference Visit the companion website for this book at www.pearsoned.co.uk/mclaney where you will find a variety of resources for students and lecturers alike. Business Finance is suitable for undergraduates in accounting and finance

Online Library Multinational Business Finance 11th Edition

and for those on finance and financial management courses. It is also appropriate for postgraduate students with an option in accounting and finance and will be highly useful for professional accounting students. Eddie McLaney is Visiting Fellow in Accounting and Finance at the University of Plymouth.
