In Music Moves for Piano students learn to: Think about music in the context of a meter and a tonality Improvise, play by ear, transpose, and harmonize Sing and play - accompany singers and instrumentalists Perform with comfort and fluency in a variety of social settings Play with technical ease and ...

Welcome to Music Moves for Piano — Music Moves for Piano

Keyboard Games Book A is designed for four-year old children, or as a first book for students of any age. The music in this book adds keyboard experiences to early childhood music and movement class activities. Short keyboard pieces, in both duple and triple meters with duet parts, provide a kind of exploration using black and white piano keys.
