WINNER British Sports Book Awards SPORTS BOOK OF THE YEAR 'I have this one term for the kind of woman my mother raised me not to be, and I call it a 'Do-Nothing B-tch'. It's the kind of chick that just tries to be pretty and be taken care of by somebody else. That's why I think it's hilarious when people say that my body looks masculine or something. Just because my body was developed for a purpose other than f-cking millionaires, doesn't mean it's masculine. I think it's femininely badass as f-ck because there isn't a single muscle on my body that doesn't have a purpose because I'm not a 'Do-Nothing B-tch.' When Ronda Rousey made this speech she inspired women everywhere. Beyoncé even played a recording on-stage and it went viral. But Rousey has been inspiring others her whole career. The journey to the top for the most dominant mixed-martial-arts fighter in history has been filled with challenges. From a childhood marked by speech problems to the painful loss of her father, she grew up repeatedly pushing her mind and body to the limit in order to win. She battled prejudice to become the first female fighter in UFC. Now she is the biggest name in the sport, breaking attendance levels and re-writing the history books with her astonishing knockout victories, most in under a minute. She has also forged a successful Hollywood career as an actor. In this honest and inspiring book, Rousey relives her greatest fights and shares her secrets for success and mental toughness. She reveals how we can all be at our best, even on our worst days, and how we can turn our limitations into opportunities. It will leave you ready to face your own challenges in life, whatever they may be.

The perfect blend of business and drama, My Fight to the Top is a unique, heart-rending autobiography that has mass appeal - whether the reader wants to learn how to get ahead in business, or simply learn how to keep it together through life's challenges. Fromt the rough East End of Glasgow, Michelle Mone overcame the physical violence of school bullies, the emotional trauma of financial difficulties at home and the tragic paralysis of her father, to become one of the UK's most respected entrepreneurial women. From the simple experience of wearing an uncomfortable bra Michelle created the Ultimo brand, now worth £50m. However, the road has been far from smooth and the pressure of trying to build a business and be a good mother brought her marriage - and her health - to the edge. But with steely determination she fought back, striving to make Ultimo a genuine success story.

For the first time, Steven Adams shares the story behind his meteoric rise from Rotorua to his emerging stardom in the NBA. Adams overcame the odds to become a top prospect in the 2013 NBA draft. From there he went on to secure a four-year contract with the Oklahoma City Thunder - making him New Zealand's highest-paid sportsperson ever - and forge a reputation for his intense, physical style of basketball. In this intimate account of his life story so far, the seven-foot centre reflects on his humble upbringing, the impact of his father's death when he was just 13, the multiple challenges and setbacks he has faced, early career-defining moments, and what basketball means to him. Told with warmth, humour and humility, My Life, My Fight is a gripping account from one of New Zealand's most admired sporting stars.

Surviving life is a challenge, but when you throw more your way than you can take. That's just whole other ball game... I learned to be a therapist of some sort to help those who experience the struggles in life I have. I want to reach people on a personal level. I want to help people understand, they can get through anything.

If you have ever wondered why life is sometimes unfair, if God really hears your prayers, or if you just can't figure out Scripture, My Fight With God promises to stir you into new conversations with your heavenly Father and deepen your personal walk with Jesus. Written with a strong, cut-to-the-chase approach, the author's refreshing and natural responses to questions and situations that you face every day will make you laugh as well as scratch your head more than once as you wonder "Gee, how did he know that's what I was thinking?" My Fight With God helps you: · Learn why the meek inherit the earth and how you can too—without being beat up in the process. · Realize that not only can a rich man get into Heaven, but that a rich person should get into Heaven. · Discover why having only a tiny bit of faith is not sufficient to conquer today's problems. · Find out if and why God rewards a rebellious and wasteful child. · Learn why God cursed a helpless tree and how not to be that tree. The strength of My Fight With God is that it tackles many stumbling block Scripture passages and helps skeptics, confused new believers, and seasoned believers alike to understand God's Word from a vantage of faith. Accompany author Brian Klemmer as he fights with God about what different parts of the Bible mean and his current understanding of their practical application in overcoming life's challenges.

Stripping: My Fight to Find Me will take you into the mind, body, brain, and soul of Dr. Sunita Merriman as she journeys to reclaim her true self. Through the gift of her words, you will hear and feel what happens when a child experiences loss and trauma. How is it that the world appears to be the same scary place to her in adulthood and continues to haunt her? How can she grow up so sound, accomplished, and highly successful on the outside yet be so fragmented on the inside? Sunitas poems give a no-holds-barred account of a grueling and raw battle that is at times tough to read. Yet you will be compelled to keep turning the pages until you get to the last one. The author doesnt only share her fight but she also recognizes and celebrates the human unconscious that defies suffering and reaches out to be healed and loved. Stripping: My Fight to Find Me translates the language and spirit of the unconscious and is about how the intimate and mysterious relationship between science and spirituality make up the sacred in us all.
