Download Free Neurology And Neurosurgery Illustrated 4th Edition By

Neurology and Neurosurgery Illustrated, Fourth Edition (2004) by Kenneth W. Lindsay PhD FRCS and Ian Bone FRCP FACP is one such exceptionally good book. It is beautifully and clearly illustrated with drawings and images that help expand one's understanding of neurology as a visuospatial art and science. The first chapter, which is basically a visual guide to the neurological examination, is ...

There are several areas in which management has changed, however, and the 2010 edition of Neurology and Neurosurgery Illustrated by Kenneth W. Lindsay, Ian Bone, and Geraint Fuller is updated to reflect that. For example, the book (p. 262) now recommends IV tPA for ischemic strokes, rather than streptokinase. The book still remains one of the best for those who want to acquire an in-depth ...

~~Neurology and Neurosurgery Illustrated - 5th Edition~~

It has been 24 years since the first edition of Neurology and Neurosurgery Illustrated was published. On writing each new edition, we are always surprised at the number of changes required. For this edition there is an additional change. Ian Bone has retired from clinical practice and Geraint Fuller has joined to edit and update this edition. As in all previous editions there have been updates ...
