Defining success is a difficult task. Most people equate it with wealth, power, and happiness. However, true success is not a thing you acquire or achieve. Rather, it is a journey you take your whole life long. In a refreshingly straightforward style, John Maxwell shares unique insights into what it means to be successful. And he reveals a definition that puts genuine success within your reach yet motivates you to keep striving for your dreams. I want to help you discover your personal road map for success, teach you what it means to be on the success journey, answer many of your questions, and equip you with what you'll need to change yourself and keep growing. - John C. Maxwell

Everything you need to know about self-publishing in one handy volume. More than a million books are self-published each year, and most disappear into the ether, seen by only a few. So, how do you self-publish your book and have it make a ripple in this giant self-publishing pond? Designed for use by both the beginner and moderately experienced person, The Self-Publishing Road Map offers practical guidance to make your self-publishing journey a success. The book discusses how to ready your book for publication, where and how to publish online, how to get reviews, and how to market your title. This book gives you all the steps you need to successfully complete your self-publishing goals. This isn't a get-rich-quick book, or a promise of untold riches. This is practical advice that pays off what you put into it. If you're ready to start your self-publishing journey, or already started and want somebody to ride shotgun and navigate, this is the book for you. Buckle up. It's time to go!

This is the only global roadmap that identifies the technical and manufacturing challenges associated with the development and expansion of commercial markets for ceramics and glass. Featuring presentations by industry leaders at the 1st International Congress on Ceramics (ICC) held in 2006, it suggests positive, proactive ways to address these challenges. The ICC Global Roadmap contains the following content: 1) Summary papers prepared by the invited speakers before the meeting 2) A detailed account of the presentation of each invited speaker written by an editor who attends the presentation 3) A summary account and future recommendations for the industry on each topic covered written by the board and the president of this meeting, Dr. Stephen Freiman (National Institutes of Standards and Technology) 4) The CDROM accompanying the book contains all of the above as well as pdfs of the presentations for non-invited speakers, including posters presented and discussed.

Former Procter & Gamble Vice President for IT and Shared Services, Tony Saldanha gives you the keys to a successful digital transformation: a proven five-stage model and a disciplined process for executing it. Digital transformation is more important than ever now that we're in the Fourth Industrial Revolution, where the lines between the physical, digital, and biological worlds are becoming ever more blurred. But fully 70 percent of digital transformations fail. Why? Tony Saldanha, a globally awarded industry thought-leader who led operations around the world and major digital changes at Procter & Gamble, discovered it's not due to innovation or technological problems. Rather, the devil is in the details: a lack of clear goals and a disciplined process for achieving them. In this book, Saldanha lays out a five-stage process for moving from digitally automating processes here and there to making digital technology the very backbone of your company. For each of these five stages, Saldanha describes two associated disciplines vital to the success of that stage and a checklist of questions to keep you on track. You want to disrupt before you are disrupted—be the next Netflix, not the next Blockbuster. Using dozens of case studies and his own considerable experience, Saldanha shows how digital transformation can be made routinely successful, and instead of representing an existential threat, it will become the opportunity of a lifetime.

Laparoscopic Liver, Pancreas and Biliary Surgery: Textbook and Illustrated Video Atlas is the perfect learning tool for all surgeons managing patients requiring advanced liver, pancreas and biliary surgery minimally invasively. This highly immersive text and video atlas will provide surgeons from trainee to advanced levels of practice, including, general surgeons, hepato-pacreatico-biliary surgeons, transplant surgeons and surgical oncologists, with a step-by-step, multi-media teaching atlas on performing laparoscopic liver surgery, anatomically correct, safely and effectively. The atlas will teach the surgeons to perform anatomic liver resections of each liver segment expertly and logically, and will cover lobectomies, extended resections, advanced laparoscopic pancreas surgery (including Whipple) and other procedures. A special emphasis is placed on reproducibility of excellence in surgical technique. Each video will be supported by outstanding illustrations for each technique and 3D renderings of the relevant anatomy. The educational step-by step high-definition videos teach everything you need to know, including critical aspects like patient positioning, port placement, dissection and much more. Led by the pioneers in laparoscopic liver, pancreas and biliary surgery, Brice Gayet and Claudius Conrad, the textbook-chapters will be authored by world experts and will contain surgical tips and tricks garnered from their unique experiences, to improve care, management of complications, relevant society guidelines and excellence in oncologic care for patients with hepato-pancreato-biliary cancers.

Best of all, whilst writing for no more than an hour or two a day, you'll be able to finish an entire novel - easily - in less than a month. Guaranteed! Most people - even some professional writers - think that writing a novel is hard. That it's something that requires dedication, talent and heaps of spare time. Amateurs think it's something that only others can do. These are some of the most persistent myths that surround the writing process. Rob Parnell's new book explodes those myths! Based on information gleaned from twenty-five years of writing and working with hundreds of writers, artists, screenwriters, agents, producers, directors, managers and publishers, this book will take you on an exciting journey. It's a frank, honest and thorough road map to success. You will learn how to write fast and well and easily - in fact, probably faster and better than you ever thought possible! You Will Discover: * How to acquire an author's mindset - easily, quickly and without effort. * Writing Q.E.D - creating compelling fiction no-one can ignore! * The trick to getting your reader to love your characters * Revolutionary F.A.S.T. editing * The Six Killer Rules for writing any fiction. * The Ten Deadly Sins writers commit - so you don't have to! * How to deal with procrastination and the dreaded writer's block. * How to deal with distractions including family, friends and spouses! * Learn the secret to boundless creativity * All the tips, tools and techniques necessary for fast, flawless fiction! * All this and much, much more! These skills would likely take you years to learn. Why waste that valuable time? It's all here! Rob has been a writer all his life. He's passionate about writing. Ask any of his 100,000 students at www.easywaytowrite.com and they'll tell you. His aim is to help writers - no matter where they're at - to succeed. Here's a secret: Good fiction writing can be taught. You don't need to be a genius, or hugely talented or even clever. Good writing can be taught. Have you ever been amazed by an author's success? Especially when their writing is average? There's a reason for it. The truth is anyone, with the right guidance, can create compelling fiction. Anyone can write a brilliant novel. Yep. Even you. Over the years, Rob has worked with thousands of writers, on all kinds of projects. The same excuses keep coming up. * I don't have the time to write * I can't get my head around this story - it's too hard * I don't know where to start * I'm not good enough * I can't get this character right * This plot doesn't work as well I thought it would You've probably used a few of these yourself in the past. The fact is all the above excuses are the result of wrong thinking. That's where "The Easy Way to Write a Novel That Sells" can help you most. It goes right to heart of writers' problems and deconstructs them from the inside out.
