friendly definitions and a glossary - Build quick recall with bullet-pointed summaries at the end of each chapter

Key content coverage is combined with practical tips to create a revision guide that students can rely on to review, strengthen and test their knowledge. With My Revision Notes, every student can: - Plan and manage a successful revision programme using the topic-by-topic planner - Consolidate their knowledge by working through clear and focused coverage of the OCR GCSE Economics specification - Test understanding and identify areas for improvement with regular 'Check your understanding' activities and answers, plus end-of-topic 'I can' checklists - Improve exam technique through practice questions, expert tips and examples of typical mistakes to avoid - Revise, remember and accurately use key economics terms with definitions throughout for quick and easy reference

Written by a senior examiner, John Hearn, this OCR AS Economics Student Unit Guide is the essential study companion for Unit F582: The National and International Economy. This full-colour book includes all you need to know to prepare for your unit exam: clear guidance on the content of the unit, with topic summaries, knowledge check questions and a quick-reference index examiner's advice throughout, so you will know what to expect in the exam and will be able to demonstrate the skills required exam-style questions, with graded student responses, so you can see clearly what is required to get a better grade

This book provides core knowledge and guidance for successful teaching in Business, Economics and Enterprise Education, and is based on the most up-to-date requirements. Written by experts with expertise in delivering business education in teacher training, further education, and secondary schools, it explores the nature of each subject in relation to the curriculum and offers subject-specific pedagogy to help develop teaching skills and confidence within the classroom. Including case studies and reflective questions in every chapter, the book covers the key topics across the subjects such as: Financial literacy Planning for the delivery of academic and vocational subjects The value of different qualifications and business and industry links Strategies for successful differentiation Assessment and pupil progression Teaching Business, Economics and Enterprise 14-19 is a vital resource for training or newly qualified teachers looking to deliver excellent teaching that will inspire their students and lead to successful learning.

This text offers clear examples, key ideas and activities to ensure full access to the economics specification. It also includes exam hints contributed by an examiner from the relevant board.

A group of short stories and novellas. Great for reading on public transportation if you are trying to save the planet. If you drive this will fill the downtime at work and escaping life at home.

This textbook has been fully revised for use with the new 2015 OCR Economics specification, giving you up-to-date material that supports your teaching. This book will enable students to: - Develop subject knowledge, with topic-by-topic insight and advice from Peter Smith, a senior lecturer in Economics and editor of Economic Review - Demonstrate awareness of current issues in economics and build

analytical and evaluative skills with brand new case studies - Build their quantitative skills with worked examples - Accurately explain key economic concepts and issues by learning the key terms throughout the text and in the end-of-section glossaries Prepare for exams with practice questions and activities throughout the book

Exam Board: AQA, Edexcel, OCR Level: A-level Subject: Economics First teaching: September 2015 First exams: Summer 2017 Master the skills you need to set yourself apart and hit the highest grades; this year-round course companion develops the higher-order thinking skills that top-achieving students possess, providing step-by-step guidance, examples and tips for getting an A grade. Written by experienced author and teacher James Powell, Aiming for an A in A-level Economics: - Helps you develop the 'A grade skills' of analysis, evaluation, creation and application - Takes you step by step through specific skills you need to master in A-level Economics, so you can apply these skills and approach each exam question as an A/A* candidate - Clearly shows how to move up the grades with sample responses annotated to highlight the key features of A/A* answers - Helps you practise to achieve the levels expected of top-performing students, using in-class or homework activities and further reading tasks that stretch towards university-level study - Perfects exam technique through practical tips and examples of common pitfalls to avoid - Cultivates effective revision habits for success, with tips and strategies for producing and using revision resources Supports the major exam boards, outlining the Assessment Objectives for reaching the higher levels under the AQA, Edexcel and OCR specifications.
