The Pulitzer Prize-winning epic of the Great Depression, a book that galvanized—and sometimes outraged—millions of readers. First published in 1939, Steinbeck's Pulitzer Prize-winning epic of the Great Depression chronicles the Dust Bowl migration of the 1930s and tells the story of one Oklahoma farm family, the Joads—driven from their homestead and forced to travel west to the promised land of California. Out of their trials and their repeated collisions against the hard realities of an America divided into Haves and Have-Nots evolves a drama that is intensely human yet majestic in its scale and moral vision, elemental yet plainspoken, tragic but ultimately stirring in its human dignity. A portrait of the conflict between the powerful and the powerless, of one man's fierce reaction to injustice, and of one woman's stoical strength, the novel captures the horrors of the Great Depression and probes into the very nature of equality and justice in America. At once a naturalistic epic, captivity narrative, road novel, and transcendental gospel, Steinbeck's powerful landmark novel is perhaps the most American of American Classics. This Centennial edition, specially designed to commemorate one hundred years of Steinbeck, features french flaps and deckle-edged pages. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Fanny Price, at age ten, is sent from her impoverished home in Portsmouth to live as one of the family at Mansfield Park, the Northamptonshire country estate of Sir Thomas Bertram. Lady Bertram is her aunt. The Bertrams have four children- Tom, Edmund, Maria and Julia, who are all older than Fanny. There she is mistreated by all but Edmund. Her other aunt, Mrs Norris, the wife of the clergyman at the Mansfield parsonage, makes herself particularly unpleasant to Fanny. When Fanny is fifteen, Aunt Norris is widowed and the frequency of her visits to Mansfield Park increases, as does her mistreatment of Fanny. A year later, Sir Thomas leaves to deal with problems on his plantation in Antigua, taking his spendthrift eldest son Tom. Mrs Norris, looking for a husband for Maria, finds Mr Rushworth, who is rich but weak-willed and considered stupid, and Maria accepts his proposal.

A luminous, powerful novel that establishes Rachel Cusk as one of the finest writers in the English language A man and a woman are seated next to each other on a plane. They get to talking—about their destination, their careers, their families. Grievances are aired, family tragedies discussed, marriages and divorces analyzed. An intimacy is established as two strangers contrast their own fictions about their lives. Rachel Cusk's Outline is a novel in ten conversations. Spare and stark, it follows a novelist teaching a course in creative writing during one oppressively hot summer in Athens. She leads her students in storytelling exercises. She meets other visiting writers for dinner and discourse. She goes swimming in the Ionian Sea with her neighbor from the plane. The people she encounters speak volubly about themselves: their fantasies, anxieties, pet theories, regrets, and longings. And through these disclosures, a portrait of the narrator is drawn by contrast: a portrait of a woman learning to face a great loss. Outline takes a hard look at the things that are hardest to speak about. It brilliantly captures conversations, investigates people's motivations for storytelling, and questions their ability to ever do so honestly or unselfishly. In doing so it bares the deepest impulses behind the craft of fiction writing. This is Rachel Cusk's finest work yet, and one of the most startling, brilliant, original novels of recent years. A Finalist for the Folio Prize, the Goldsmiths Prize, the Scotiabank Giller Prize, and the Baileys Women's Prize for Fiction One of The New York Times' Top Ten Books of the Year Named a A New York Times Book Review Notable Book and a Best Book of the Year by The New Yorker, Vogue, NPR, The Guardian, The Independent, Glamour, and The Globe and Mail

An African-American family is united in love and pride as they struggle to overcome poverty and harsh living conditions, in the award-winning 1959 play about an embattled Chicago family

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

The essential handbook for doing historical research in the twenty-first century The Princeton Guide to Historical Research provides students, scholars, and professionals with the skills they need to practice the historian's craft in the digital age, while never losing sight of the fundamental values and techniques that have defined historical scholarship for centuries. Zachary Schrag begins by explaining how to ask good questions and then guides readers step-by-step through all phases of historical research, from narrowing a topic and locating sources to taking notes, crafting a narrative, and connecting one's work to existing scholarship. He shows how researchers extract knowledge from the widest range of sources, such as government documents, newspapers, unpublished manuscripts, images, interviews, and datasets. He demonstrates how to use archives and libraries, read sources critically, present claims supported by evidence, tell compelling stories, and much more. Featuring a wealth of examples that illustrate the methods used by seasoned experts, The Princeton Guide to Historical Research reveals that, however varied the subject matter and sources, historians share basic tools in the quest to understand people and the choices they made. Offers practical step-by-step guidance on how to do historical research, taking readers from initial questions to final publication Connects new digital technologies to the traditional skills of the historian Draws on hundreds of examples from a broad range of historical topics and approaches Shares tips for researchers at every skill level
