These are largely based mostly on my past pet trading experiences. (1) Upsizing: Do not upsize unless it's at least a 5 mil overoffer. Many people are at or close to 100 pets so they are looking to downsize, not upsize. Overoffers are now a must if you are the party that ends up upsizeing. (2) Badly Named Pets: An 8 mil overoffer (cost of name cert) is needed for a badly named pet. Badly named pets include names in which the first letter is not capitalised, numbers in the name, extremely ...

"This book belongs on every animal lover's shelf—and it's a particularly great gift for young people who are on fire to save animals but are unsure where to start. Hooray!" —Sy Montgomery, author of The Good Good Pig and The Soul of an Octopus The Animal Lover's Guide to Changing the World is the inspiring, accessible, and empowering book for everyone who loves animals and wants to live a more animal-friendly life, even if they aren't ready to join a movement or give up bacon. With more than 7.5 billion people on the planet, wildlife is going extinct at the fastest rate since the dinosaurs. Three to four million dogs and cats are killed in shelters every year, billions of chickens, pigs, and cows are killed for food, and countless animals are killed in research labs or their habitat. The numbers are daunting, but there's good news too! Even one person truly can make a difference without breaking the bank. With Stephanie Feldstein's straightforward and encouraging guidance, readers will learn how to take action to create a better world for the animals we love. It starts with changes as simple as taking a shorter shower, skipping meat once a week, wearing "this" not "that," and extends all the way to online activism and politics. The animals need us, so let's get on with some world changing!

Currency trading is the practice of exchanging one country's currency for another's. The foreign exchange (Currency, Forex, or FX) market is the largest trading market in the world -- exceeding \$3.2 trillion every single day! Essentially, there are four variables involved: currencies, exchange rate, time, and interest rate. The relationships of these variables create opportunities for small investors to obtain investment returns that are unheard of in the traditional investment world. You owe it to yourself and your family to begin learning about currency trading. You can get started with just \$100, and the investment can easily be managed in a part-time capacity, usually requiring a few hours on the internet a week from your home or your office. Currency investments can provide you with a very high and secure rate of return, in some cases as high as 12 percent, 18 percent, 24 percent, or even 1,000 percent every year. This all sounds great, but what is the catch? There really is none. You just have to know what you are doing!
