Undertaking a personal project—whether for a magazine, a book, a website, a commission, or an exhibition—offers photographers an opportunity to broaden their horizons and develop their art. This outstanding guide takes photographers through all the thought processes and planning necessary to successfully publish their work, and offers a wealth of expert advice from both the author and the 30 other featured photographers. Highly illustrated with color and monochrome images from project-based practice, the book showcases a mix of commercial, fine-art, documentary, and commissioned photographs. Chris Dickie has been a photographer and leading photographic editor for more than 30 years.

Becoming a published author is a daunting experience. Bringing and keeping a book before potential readers is a challenging and taxing undertaking. Almost everyone has dreamed about writing a book—but few there are that have what it takes to do it. Becoming a Published Author is a book written by those who have done it—who had a vision of being a published author and had what it took to make it happen. These are stories from authors about their writing and publishing journey from the beginning of their idea to the thrill of their first book signing—and beyond. Becoming a Published Author includes thoughts, insights, and the emotional highs and lows of becoming an author and marketing a book.

Written by librarians who have experience with integrating technology into all subject areas and working with teens and young adults, this book is a toolkit for youth and young adult librarians—school and public—who wish to incorporate science, technology, engineering, art, and math (STEAM) into their

programs and collections but aren't sure where to begin. • Provides school and public librarians with the resources and clear guidance they need to implement STEAM programs and collections at their libraries • Places librarians in a key position—based on knowledge and ability—with STEAM initiatives in their school and community • Connects STEAM programming to national standards • Explains how to secure funding and find partners to collaborate in STEAM
