is the simplest way to master waves, sound and light. This chapter uses simple and fun videos that are...

Physical Science - Waves, Sound, and Light: Help and ...

The waves apply a force on the object it hit, therefore, the object returns an equal force, causing the wave to

Download Free Physical

bounce back. Example -
Light is an
electromagnetic wave.

When it hits a mirror, the
wave is reflected, and hit
our eyes, allowing us to
see the images in the
mirror.
