No connections. Play it safe. These were the rules Ivey lived her life by. Until she hit Mustang, Colorado, a perfectly imperfect town where the citizens were welcoming and one of them included the tall, beautiful, macho man rancher cowboy, Grayson Cody. On the run for a decade, Ivey knew she was supposed to play it safe. But she was tired of being on the run. She wanted a normal. She wanted real. She wanted a home. And she wanted Grayson Cody. And Grayson Cody wanted Ivey. No one who looked at them couldn't see they belonged together. There was one man in this world for Ivey and one woman in this world for Grayson Cody. So they fell in love. But just as quickly as they fell together, they were betrayed and torn apart. Separated for years, Ivey was certain her life would not include her rancher cowboy. Until the town of Mustang reached out to her when Gray was in trouble. Even though she thought he broke her heart, she charged in to help. Then Gray and Ivey discovered they were betrayed and, not only that, Gray had an enemy who would stop at nothing to defeat him.

From the acclaimed author of *Imagine Wanting Only This*—a timely and moving meditation on isolation and longing, both as individuals and as a society. There is a silent epidemic in America: loneliness. Shameful to talk about and often misunderstood, loneliness is everywhere, from the most major of metropolises to the smallest of towns. In *Seek You*, Kristen Radtke's wide-ranging exploration of our inner lives and public selves, Radtke digs into the ways in which we attempt to feel closer to one another, and the distance that remains. Through the lenses of gender and violence, technology and art, Radtke ushers us through a history of loneliness and longing, and shares what feels impossible to share. Ranging from the invention of the laugh-track to the rise of Instagram, the bootstrap-pulling cowboy to the brutal experiments of Harry Harlow, Radtke investigates why we engage with each other, and what we risk when we turn away. With her distinctive, emotionally-charged drawings and deeply empathetic prose, Kristen Radtke masterfully shines a light on some of our most vulnerable and sublime moments, and asks how we might keep the spaces between us from splitting entirely.
