What I love about "Pride and Prejudice and Zombies" is what Grahame-Green did with the characters. They are free and empowered and, in the case of Miss. Elizabeth Bennet, somewhat psychotic. Charles Bennet trained his daughters in martial arts and the sisters are accomplished fighters. The Bennet sisters are fighters.

Pride and Prejudice and Zombies Review - IGN

Zombies can sometimes be handy metaphors for whatever societal ills we seem to be dealing with at the moment, and they can even wield a bit of spiritual heft if you look at them in just the right way. That's mostly why I read Seth Grahame-Smith's 2009 best-seller, *Pride and Prejudice and Zombies*, upon which this movie is (loosely) based.

Pride and Prejudice and Zombies - Plugged In

The graphic novel of *Pride and Prejudice and Zombies* was surprisingly engaging and entertaining, especially considering that I really detested the text version of this story. It's really the truth that some stories need to be told in print, while others need to be told in pictures.

Pride and Prejudice and Zombies (2016) - IMDb

In a prequel to the best-selling *Pride and Prejudice and Zombies*, Elizabeth Bennet evolves from a simple young teenager into a savage slayer of the undead, as she trains with nunchucks and katana swords and experiences a tragic first romance.
Original. 200,000 first printing. \$100,000 ad/promo.

Four years after Elizabeth and Fitzwilliam Darcy marry, Fitzwilliam is infected with a zombie bite, and Elizabeth must find a rumored antidote soon—or face beheading her beloved.

The New York Times best seller is now a major motion picture starring Lily James and Sam Riley, with Matt Smith, Charles Dance, and Lena Headey. This edition features sixteen pages of color stills from the film, a reading group discussion guide, and other bonus materials. Complete with romance, heartbreak, swordfights, cannibalism, and thousands of rotting corpses, *Pride and Prejudice and Zombies* is an audacious retelling of English literature's most enduring novel. This expanded edition of the beloved Jane Austen novel featuring all-new scenes of bone-crunching zombie mayhem begins when a mysterious plague falls upon the quiet English village of Meryton—and the dead are returning to life! Feisty heroine Elizabeth Bennet is determined to wipe out the zombie menace, but she's soon distracted by the arrival of the haughty and arrogant Mr. Darcy. What ensues is a delightful comedy of manners with plenty of civilized sparring between the two young lovers—and even more violent sparring on the blood-soaked battlefield. It's the perfect read for literature lovers, zombie fans, and anyone who loves a reanimated Austen.

A graphic adaptation of the best-selling whimsical parody blending Jane Austen's classic with zombie mayhem is an irreverent work featuring all-original art by the illustrator of the *Buffy the Vampire Slayer* comics series.
Original.

This title *Pride and Prejudice* is an all-time favorite classic. Since its immediate success in 1813, *Pride and Prejudice* has remained one of the most popular novels in the English language. Jane Austen called this brilliant work "her own darling child" and its vivacious heroine, Elizabeth Bennet, "as delightful a creature as ever appeared in print." The romantic clash between the opinionated Elizabeth and her proud beau, Mr. Darcy, is a splendid performance of civilized sparring. And Jane Austen's radiant wit sparkles as her characters dance a delicate quadrille of flirtation and intrigue, making this book the most superb comedy of manners of Regency England. A must have romance novel for all classic book readers by Jane Austen.

Following up on the success of *Pride and Prejudice and Zombies* comes a new tale that combines a Regency classic with monster mayhem, in which a Jane Austen novel is expanded with all-new scenes of giant lobsters, rampaging octopi, two-headed sea serpents and other biological monstrosities.
Original.

Written by best-selling author, screenwriter, and producer Seth Grahame-Smith (Stephen King's It), with an introduction by horror icon Wes Craven (A Nightmare on Elm Street), this is a hilarious must-read for any horror movie fan...and it just might save your life. Are you reading this in a cornfield, at a summer camp, or in an abandoned mental institution? Have you noticed that everything is poorly lit, or that music surges every time you open a door? If the answer is yes, you're probably trapped in a horror movie. But don't freak out—just read this book! With it you will learn how to overcome every obstacle found in scary films, including:
• How to determine what type of horror film you're trapped in
• The five types of slashers and how to defeat them
• How to handle killer dolls, murderous automobiles, and other haunted objects
• How to deal with alien invasions, zombie apocalypses, and other global threats
• What to do if you did something last summer, if your corn has children in it, or if you suspect you're already dead

Pride and Prejudice and Zombies (2016) - IMDb

From the author of the New York Times bestselling *Abraham Lincoln: Vampire Hunter*, comes *UNHOLY NIGHT*, the next evolution in dark historical revisionism. They're an iconic part of history's most celebrated birth. But what do we really know about the Three Kings of the Nativity, besides the fact that they followed a star to Bethlehem bearing strange gifts? The Bible has little to say about this enigmatic trio. But leave it to Seth Grahame-Smith, the brilliant and twisted mind behind *Abraham Lincoln: Vampire Hunter* and *Pride and Prejudice and Zombies* to take a little mystery, bend a little history, and weave an epic tale. In Grahame-Smith's telling, the so-called "Three Wise Men" are infamous thieves, led by the dark, murderous Bathazar. After a daring escape from Herod's prison, they stumble upon the famous manger and its newborn king. The last thing Bathazar needs is to be slowed down by young Joseph, Mary and their infant. But when Herod's men begin to slaughter the first born in Judea, he has no choice but to help them escape to Egypt. It's the beginning of an adventure that will see them fight the last magical creatures of the Old Testament; cross paths with biblical figures like Pontius Pilate and John the Baptist; and finally deliver them to Egypt. It may just be the greatest story never told.

THE NEW YORK TIMES BESTSELLER—NOW AN EYE-POPPING GRAPHIC NOVEL OF MANNERS, MORALS, AND BRAIN-EATING MAYHEM It is known as "the strange plague," and its unfortunate victims are referred to only as "unmentionables" or "dreadfuls." All over England, the dead are rising again, and now even the daughters of Britain's best families must devote their lives to mastering the deadly arts. Elizabeth Bennet is a fearsome warrior whose ability with a sword is matched only by her quick wit and even sharper tongue. But she faces her most formidable foe yet in the haughty, cancelled, and somehow strangely attractive Mr. Darcy. As the two lovers meet in the ballroom and on the battlefield, they'll soon learn that nothing—not even bands of ninjas, hordes of flesh-eating zombies, or disapproving aunts—can stop true love.
