Pride and Prejudice and Zombies Review - IGN Zombies can sometimes be handy metaphors for whatever societal ills we seem to be dealing with at the moment, and they can even wield a bit of spiritual heft if you look at them in just the right way. That’s mostly why I read Seth Grahame-Smith’s 2009 best-seller, Pride and Prejudice and Zombies, upon which this movie is (loosely) based.

Pride and Prejudice and Zombies - Plugged In The graphic novel of Pride and Prejudice and Zombies was surprisingly engaging and entertaining, especially considering that I really detested the text version of this story. It's really the truth that some stories need to be told in print, while others need to be told in pictures.

The New York Times best seller is now a major motion picture starring Lily James and Sam Riley, with Matt Smith, Charles Dance, and Lena Headey. Complete with romance, heartbreak, swordfights, cannibalism, and thousands of rotting corpses, Pride and Prejudice and Zombies is an audacious retelling of English literature’s most enduring novel. This expanded edition of the beloved Jane Austen novel featuring all-new scenes of bone-crunching zombie mayhem begins when a mysterious plague falls upon the quiet English village of Meryton—and the dead are returning to life! Feisty heroine Elizabeth Bennet is determined to wipe out the zombie menace, but she’s soon distracted by the arrival of the haughty and arrogant Mr. Darcy. What ensues is a delightful comedy of manners with plenty of civilized sparring between the two young lovers—and even more violent sparring on the blood-soaked battlefield. It's the perfect read for literature lovers, zombie fans, and anyone who loves a reanimated Austen.

Complete with romance, action, comedy, and an army of shambling corpses, this prequel to the hit mash-up novel will have Jane Austen rolling in her grave—or crawling out of it! Four years before the events of Pride and Prejudice and Zombies, the Bennet sisters are enjoying a peaceful life in the English countryside, reading, gardening, and daydreaming about future husbands—until a funeral at the local parish goes strangely and horribly awry. Suddenly, corpses are springing from the soft earth—and only one family can stop them. As the bodies pile up, Elizabeth Bennet grows from a naive young teenager into a savage slayer of the undead. Along the way, two men vie for her affections: Master Hawksworth is the powerful warrior who trains her to kill, while thoughtful Dr. Keckilpenny seeks to conquer the walking dead using science instead of strength. Will either man win the prize of Elizabeth’s heart? Or will their hearts be feasted upon by hordes of marauding zombies?

Complete with romance, heartbreak, martial arts, cannibalism, and an army of shambling corpses, Dreadfully Ever After brings the story of Pride and Prejudice and Zombies to a thrilling conclusion. When we last saw Elizabeth Bennet and Fitzwilliam Darcy—at the end of the New York Times best seller Pride and Prejudice and Zombies—they were preparing for a lifetime of wedded bliss. Yet the honeymoon has barely begun when poor Mr. Darcy is nipped by a rampaging dreadful. Elizabeth knows the only acceptable course of action is to promptly behead her husband (and then burn the corpse, just to be safe). But when she learns of a miracle antidote being developed in London, she realizes there may be one last chance to save her true love—and for everyone to live happily ever after.

A graphic adaptation of the best-selling whimsical parody blending Jane Austen's classic with zombie mayhem is an irreverent work featuring all-original art by the illustrator of the Buffy the Vampire Slayer comics series. Original.

New York Times bestseller An uproarious tale of romance, heartbreak, and tentacled mayhem inspired by the classic Jane Austen novel—from the publisher of Pride and Prejudice and Zombies Sense and Sensibility and Sea Monsters expands the original text of the beloved Jane Austen novel with all-new scenes of giant lobsters, rampaging octopi, two-headed sea serpents, and other biological monstrosities. As our story opens, the Dashwood sisters are evicted from their childhood home and sent to live on a mysterious island full of savage creatures and dark secrets. While sensible Elinor falls in love with Edward Ferrars, her romantic sister Marianne is courted by both the handsome Willoughby and the hideous man-monster Colonel Brandon. Can the Dashwood sisters triumph over meddlesome matriarchs and unscrupulous rogues to find true love? Or will they fall prey to the tentacles that are forever snapping at their heels? This masterful portrait of Regency England blends Jane Austen’s biting social commentary with ultraviolent depictions of sea monsters biting. It’s survival of the fittest—and only the swiftest swimmers will find true love!

As a mysterious plague falls upon the village of Meryton and zombies start rising from the dead, Elizabeth Bennet is determined to destroy the evil menace, but becomes distracted by the arrival of the dashing and arrogant Mr. Darcy.

From the author of the New York Times bestselling Abraham Lincoln: Vampire Hunter, comes UNHOLY NIGHT, the next evolution in dark historical revisionism. They're an iconic part of history's most celebrated birth. But what do we really know about the Three Kings of the Nativity, besides the fact that they followed a star to Bethlehem bearing strange gifts? The Bible has little to say about this enigmatic trio. But leave it to Seth Grahame-Smith, the brilliant and twisted mind behind Abraham Lincoln: Vampire Hunter and Pride and Prejudice and Zombies to take a little mystery, bend a little history, and weave an epic tale. In Grahame-Smith's telling, the so-called "Three Wise Men" are infamous thieves, led by the dark, murderous Balthazar. After a daring escape from Herod's prison, they stumble upon the famous manger and its newborn king. The last thing Balthazar needs is to be slowed down by young Joseph, Mary and their infant. But when Herod's men begin to slaughter the first born in Judea, he has no choice but to help them escape to Egypt. It's the beginning of an adventure that will see them fight the last magical creatures of the Old Testament; cross paths with biblical figures like Pontius Pilate and John the Baptist; and finally deliver them to Egypt. It may just be the greatest story never told.
