Assessment Tests Year 5 Primary

Resources - Twinkl

Tests in primary school are a subject of much controversy: some people (including the policy makers in the current government) think tests are good because they help schools measure teaching

Bookmark File PDF Primary School Standard 5 Test

progress and improve standards; others think they're not so good because, they say, they put young children on a 'test treadmill' and cause them unnecessary stress.

The government says Sats are not about passing or failing, but instead show the level your child is working to. Critics say that not reaching the expected level equates to failure in many parents' (and children's) minds. In 2017, almost 40 per cent of primary school pupils did not meet the government's expected standard in key
