Read Book Professional Counseling Excellence

Professional Counseling Excellence through Leadership and Advocacy provides readers with the knowledge, skills, and qualities to succeed as leaders and advocates throughout their careers. Edited by leaders in counselor education and endorsed by Chi Sigma Iota, this text places leadership and advocacy in a historical context while strengthening the foundational knowledge and skills counselors need. The new edition integrates the Multicultural and Social Justice Counseling Competencies (MSJCCs) and applies them to a variety of counseling settings at both local and state levels. Chapters also address leadership and design of effective counselor education programs, curricular implications, supervision and consultation, and research directions. The new edition is designed for counselor educators and supervisors and doctoral-level counselor education

at becoming an effective leader and advocate. The authors provide information essential to the growth and development of counseling leaders and give newer professionals a clearer sense of what leadership and advocacy look like on the job. After a current perspective on what ethical and culturally responsive leadership entails, 13 counseling leaders- both long established and emerging and representing a wide range of cultural and intersectional backgrounds- share their unique stories in poignant personal profiles. The final section of the text highlights pertinent themes in the profiles and implications to strengthen the future of the profession. *Requests for digital versions from ACA can be found on www.wiley.com *To purchase print copies, please visit the ACA website here *Reproduction requests for material from books published by ACA should be
