Conflict theories are often applied to inequalities of gender, social class, education, race, and ethnicity. A conflict theory perspective of U.S. history would examine the numerous past and current struggles between the white ruling class and racial and ethnic minorities, noting specific conflicts that have arisen when the dominant group perceived a threat from the minority group. In the late ...

Theories of Race and Ethnicity | Introduction to Sociology

The sociology of race and ethnicity is a large and vibrant subfield within sociology in which researchers and theorists focus on the ways that social, political, and economic relations interact with race and ethnicity in a given society, region, or community. Topics and methods in this subfield are wide-ranging, and the development of the field dates back to the early 20th century.
