today's world (Eastern religions, Christianity and science, Christianity and ethics, the existence of heaven and hell).

What is the most hopeful word in History? For Billy Graham, that word is SALVATION.

Salvation from what? From our selfish and self-destructive selves. From the messes we get ourselves into. From the sin that has haunted humanity from the beginning of time and the evil that pulls us down every day. From the cultural deceits that blind us to God's saving message. From the Hell so many don't believe in. If we don't think we need

salvation, we're fooling ourselves. If we think we are beyond salvation, we're underestimating God. If we just don't want to think about salvation, we're putting ourselves in eternal peril. At the age of ninety-five Billy Graham proclaims God's Gospel with resolve and deep compassion. It is a message he has been preaching for more than seventy years. And in this book you will sense its urgency, filled with hope for the future. "Believe on the Lord Jesus Christ, and you will be saved" (Acts 16:31) From America's evangelistic elder statesman: Salvation is what we all long for, when we

are lost or in danger or have made a mess of our lives. And salvation belongs to us, when we reach out for the only One who can rescue us, Jesus. The saving message of the Gospel is the heartbeat of this preacher and evangelist. Millions around the world have heard Billy Graham proclaim this unchanging truth. He has never forgotten the transformation of his own life, when he first said yes to God's gift of salvation, and he has witnessed multitudes turn their hearts to the God of Hope. The Reason for My Hope: Salvation presents the essence of that transformative message. It is biblical and

timeless, and though simple and direct, it is far from easy. There are hard words, prophetic words, directed toward a culture that denies the reality of sin and distracts us from the veracity of Hell. But through its ominous warnings shines a light that cannot be extinguished, a beacon of hope that Jesus came to seek and to save that which was lost. (Luke 19:10).

In the light of the threats posed to Christianity by militant Islam, intolerant secularism, and widespread misinformation (The Da Vinci Code, the Jesus Seminar, etc.), the necessity of informed and articulate defense of the Christian faith today can hardly be contested. *Reasons for Our Hope* offers a sophisticated yet accessible guide to "destroying speculations and every lofty thing raised up against the knowledge of God, and . . . taking every thought captive to the obedience of Christ" (2 Corinthians 10:5). The book's 31 chapters are divided into four sections: • Apologetics Methodologies and

The meaning of history is about the purpose and goal of history. According to the Old Testament this involves redeeming humanity and transforming civilization toward an eternal hope of a world in which every longing is fulfilled and every fear is no more. When the Old Testament is understood on its terms, it reveals a marvelous vision of that hope. To capture this vision as well as present credible reason for the hope, this book interweaves into one coherent exposition five strands of Old Testament studies usually separated into different books: theology, ethics, mission, history, apologetics.

The Resurrection accounts of Jesus in the Gospels are the most dramatic and impactful stories ever told. One similarity unites each testimony--that none of his most loyal and steadfast followers could "see" it was him, back from the dead. The reason for this is at

the very foundation of the Christian faith. She turned around and saw Jesus standing there, but she did not realize that it was Jesus. (John 20:14) Hope in the Time of Fear is a book that unlocks the meaning of Jesus's resurrection for readers. Easter is considered the most solemn and important holiday for Christians. It is a time of spiritual rebirth and a time of celebrating the physical rebirth of Jesus after three days in the tomb. For his devoted followers, nothing could prepare them for the moment they met the resurrected Jesus. Each failed to recognize him. All of them physically saw

Here the central message of the Christian faith is revealed in a way only Timothy Keller could do it--filled with unshakable belief, piercing insight, and a profound new way to look at a story you think you know. After reading this book, the true meaning of Easter will no longer be unseen.

truly give you A Reason for Hope.

Many Christians want to witness for their faith, but they are afraid they will not be able to answer questions that others may ask of them. First Peter 3:15 reminds believers to always be prepared to "make a defense to anyone who asks you for a reason for the hope that is in you." Norman Geisler and Chad Meister realize the fear of facing questions about the Christian faith. Their book *Reasons for Faith* gives believers grounded biblical apologetics to help them defend their faith. By covering the importance of apologetics and

then applying apologetics to popular culture and theological issues, these authors give all Christians the tools they need to stand firm in their faith and to be able to share that faith in today's society.
