(very easily) to practice Reiki. Written by one of the few Reiki masters in the UK and featuring the original Usui method, this practical and accessible book reveals the fascinating story behind the discovery of Reiki.

Reiki is an ancient and profoundly simple system of “ laying on of hands ” healing derived from Tibetan Buddhism. In the West, Reiki has been kept highly secret for many years. ESSENTIAL REIKI presents full information on all three degrees of this healing system, most of it in print for the first time. Teaching from the perspective that Reiki healing belongs to all people, Diane Stein breaks new ground in her classic guide to this ancient practice. While no book can replace the directly received Reiki “ attunements, ” ESSENTIAL REIKI provides everything else that the healer, practitioner, and teacher of this system needs.

Reiki is a unique system of healing that allows you to harness and transmit energy through your hands, restoring balance and harmony within the body and bringing relief to a wide range of physical and emotional problems. This book, by renowned Reiki teacher Richard Ellis, illustrates all the hand positions used for the first level of Reiki, but it goes much further and shows them in their relation to the seven chakras. Chakras are the main energy points of the body and provide the anatomy of energy healing. These are different for everyone, and so to practise Reiki effectively you need to understand a person's chakras, which will in turn explain the type of person they are and the health problems they are vulnerable to. For example, one person may have an excessive first chakra, making them prone to obesity or digestive problems, and to pessimism, while another may be deficient, making them vulnerable to anorexia and restlessness. You would therefore approach these two people differently. Reiki and the Seven Chakras captures the feeling of wonder that surrounds Reiki, but it is also an immensely practical guide. So many of the current books on Reiki are very dry,

following a formula of detailing the history of Reiki healing and then showing you how to do it. This one breaks the mould and is written from a very personal point of view, which makes it incredibly interesting to read and also very accessible – essential if you are to understand the true nature and potential of Reiki.

This complete manual, in conjunction with traditional training, is an excellent guide to understanding Reiki and its spiritual practices.

"In Reiki Healing for Beginners, you will explore basic Reiki techniques and learn how to heal over 100 common emotional and physical ailments. Through clear, fully illustrated step-by-step instructions, this practical guide is the perfect companion for new healers who want to address everything from fatigue to forgiveness with Reiki"--Back cover.

An illuminating guide to one of the fastest-growing spiritual healing practices in the world and an essential tool for anyone ready to bring healing into his or her life. Perhaps the gentlest healing therapy in the world, Reiki originated in early twentieth-century Japan. In this indispensable guide to Reiki, one of the foremost experts traces the origin and development of the practice, detailing how and why it restores and renews the human body in ways we've only begun to understand. A pioneer in bringing Reiki into mainstream medical practice, Miles draws on her unique background to explain how this therapeutic technique, which involves a gentle laying on of the hands, complements conventional medical treatments and can hasten recovery from invasive surgical procedures, as well as ease the symptoms of cancer, insomnia, depression, anxiety, and other conditions. With compassion, wisdom, and the accumulated experience that comes from nearly twenty years as a Reiki practitioner, Pamela Miles empowers readers by showing how simple it is to take.

Reiki has the power to change your life from the inside out, and the more you interact with this energy, the more profound and far reaching the changes will be. This book shares insights into the many branches of reiki, helping you unlock your inner gifts for improved physical health, emotional balance, and spiritual vitality.

Reiki master and best-selling author Diane Stein has been a dedicated hands-on healer since 1988. Stein believes strongly that this powerful healing art, once a closely guarded secret tradition, should be accessible and available to all. Since she began teaching in 1990, Stein has initiated thousands of students in all three levels of Reiki healing. Through these efforts she developed a comprehensive teaching method that encompasses the fundamentals of this ancient system. The **ESSENTIAL REIKI TEACHING MANUAL** equips the Reiki initiate with the practical tools needed for launching a Reiki healing practice, leading a Reiki workshop, and becoming a more effective Reiki practitioner. This hands-on instructional guide together with the digitally re-mastered **DIANE STEIN'S ESSENTIAL REIKI WORKSHOP DVD** is the next best thing to a personal teaching session with Diane Stein herself.

Reiki is the Japanese word for universal life energy, and in this important book authors Muller and Gunther explain how this remarkable healing method sends energy through the hands of a practitioner into the body of a receiver. Reiki healing works on all levels: physical, spiritual, and emotional. It removes barriers, balances chakras, rebuilds harmony, encourages self-healing to strengthen health and recharge energy, and flows in an unlimited quantity. In sum, it is an immeasurable gift. Dr. Mikao Usui rediscovered this lost healing art in the late nineteenth century. After learning that Buddha had the power to heal, he spent years searching for any original Buddhist writings that contained the key to healing. Finally, Usui located the formula, the symbols, and the description of how the Buddha healed written down in a 2,500-year-old Sanskrit document by one of Buddha's disciples, and he set out on a long, successful quest to turn this newfound wisdom from the Buddha into the power to heal.
