Acces PDF Resmed Sleep Lab Titration Guide

already talked to my sleep lab AND our local Resmed Rep and both are willing that the Rep will supply the Resmed equipment for the sleep lab to use and since the Rep is also an RRT/RPSGT he will stay the night w/the sleep tech doing the titration to be available w/suggestions and assistance during my titration.

~~Resperonics versus Resmed~~ Sleep Guide

In some cases, members of the sleep team may perform a CPAP titration study on the same night as an in-lab sleep study. This is known as a split-night sleep study. The CPAP titration occurs in the second half of the night. This is usually only offered if the sleep apnea is severe and the diagnosis is clear.
