Rodrick Heffley was quite...confident in himself when it came to approaching a lady he was interested in. He knew it, his closest friends knew it, even Greg knew it. Unfortunately for Rodrick, that all changed when you came along. His palms would start to sweat and he'd stutter uncontrollably in your presence.

Greg Heffley tells about his summer vacation and his attempts to steer clear of trouble when he returns to middle school and tries to keep his older brother Rodrick from telling everyone about Greg's most humiliating experience of the summer.
A NEWER, REVISED AND EXPANDED EDITION OF THIS BOOK IS NOW AVAILABLE. The Wimpy Kid Movie Diary (DOG DAYS EDITION). INCLUDES 32 NEW PAGES ABOUT THE THIRD WIMPY KID MOVIE, DOG DAYS, PLUS AN ALL-NEW COVER ILLUSTRATION.

Diary of a Wimpy Kid
A family road trip is supposed to be a lot of fun . . . unless, of course, you're the Heffleys. The journey starts off full of promise, then quickly takes several wrong turns. Gas station bathrooms, crazed seagulls, a fender bender, and a runaway pig—not exactly Greg Heffley’s idea of a good time. But even the worst road trip can turn into an adventure—and this is one the Heffleys won’t soon forget.
Some rules were made to be broken. As a certified stand-up bro, Nick Maguire knows that some things in life are sacred: Do not skip ab workouts. Never back down from spicy foods. And always accept the outcome of Rock, Paper, Scissors. For these are the revered doctrines of The Bro Code, rules of conduct that have been passed down through the ages from bro to bro. Heading into his senior year, Cassidy High’s star soccer player has his priorities straight and intends to spend his time playing sports, hanging out, and living by the code. But when his best bro Carter’s sister Eliza returns from studying overseas, the awkward, academic girl Nick remembers is different. Carter might be Nick’s bro, but Eliza becomes his whole world—and choosing between them is unimaginable. Ultimately, Nick needs to decide if being with the girl of his dreams is worth breaking The Bro Code’s most important rule of all: never date your best bro’s sister . . . because he simply can’t have both.

Collects the diaries of Greg Heffley as he faces the challenges of middle school, deals with his annoying older brother Rodrick, and is threatened with military school.
Greg Heffley and his family are getting out of town. With the cold weather and the stress of the approaching holiday season, the Heffleys decide to escape to a tropical island resort for some much-needed rest and relaxation. A few days in paradise should do wonders for Greg and his frazzled family. But the Heffleys soon discover that paradise isn't everything it's cracked up to be. Sun poisoning, stomach troubles, and venomous critters all threaten to ruin the family's vacation. Can their trip be saved, or will this island getaway end in disaster?

For use in schools and libraries only. The pressure's really piling up on Greg Heffley. His mom thinks video games are turning his brain to mush, so she wants her son to put down the controller and explore his "creative side." As if that's not scary enough, Halloween's just around the corner and the frights are coming at Greg from every angle. When Greg discovers a bag of gummy worms, it sparks an idea. Can he get his mom off his back by making a movie . . . and will he become rich and famous in the process? Or will doubling down on this plan just double Greg's troubles?
