Samson/Daft/Donnet's Management is a robust foundation text providing a balance of broad, theoretical content with an engaging, easy-to-understand writing style. It covers the four key management functions - planning, organising, leading and controlling - conveying to students the elements of a manager's working day. Along with current management theory and practice, the authors integrate coverage of innovation, entrepreneurship, agile workplaces, social media and new technology throughout. This sixth edition features a new author on the team and contains updates to content based on recent research. Real-life local and international examples showcase the ongoing changes in the management world. Focusing on a 'skills approach', they bring concepts to life for students, supporting motivation, confidence and mastery. Each part concludes with a contemporary continuing case study, focusing on car company Toyota as it faces managerial challenges and opportunities in the region.

Real Skills for Real Life From keeping your home clean and in good repair to preparing your own food, self-sufficiency rocks. Having an understanding of the domestic arts gives you a sense of control over your life. These skills also help you save money, not by chasing deals, but by teaching the principle of the mantra: Use it up, wear it out, make it do, or do without. Life skills are the essence of frugality. Whether you just moved out of your parent's basement or you cut the apron strings a while ago, you'll learn the skills you need to manage your household. Inside you'll find: Quick, easy cleaning solutions for every room of the house, so you can get the job done and get on with life Instructions for removing stubborn stains and offensive odors from fabric Simple fixes to wardrobe malfunctions including broken zippers, missing buttons, and fallen hemlines Troubleshooting advice for common problems with home

appliances A minimum home maintenance guide to prevent or catch major repair problems A basic plumbing tutorial that includes clearing and preventing clogs, stopping a running toilet and retrieving items dropped down a drain Ideas for healthy and fast meal planning so you can start cooking and stop relying on takeout or preservative-packed convenience food Definitions of common cooking terms and techniques found in recipes Plans for stocking a pantry so you can make dinner (even if you haven't been grocery shopping in a week) and be prepared when disaster strikes A complete rundown of essential kitchen equipment from knives to pans to small appliances Equip yourself with the skills you need for everyday life.

From one of America's last crusading newspaper columnists, Dave Lieber's Watchdog Nation shares tips, tools and strategies to bite back when businesses and scammers do you wrong. Save time, money and aggravation. Learn how you can overcome the pickpockets that call themselves the electric company, the phone company, debt collectors, banks, scammers, e-mail spammers, door-to-door salesmen and countless others who want to harm you and your family. This book contains real stories about real people by the ultimate authority on the subject. Dave Lieber is The Watchdog investigative columnist for The Fort Worth Star-Telegram in Texas. He has helped countless folks stand up for themselves, understand their rights, fight back and win. Consumers will understand how they can take advantage of laws, regulations and other methods that will help them overcome stubborn and uncaring customer service representatives on the other side of the world, companies large and small who ignore their complaints and the growing group of hard-core criminals who take advantage of modern technology to hurt you.

A lively gift book, the first in a new series For the Wild at Heart.

Punch-out mask, with elastic band, on flyleaf.

The first and only book containing a comprehensive history of washing machines. Included are over 200 color pictures of washers dating from the early 1800s. A description of the many and varied types of machines along with picture examples is given. Also included are discussions on finding antique washers, restoration, patent descriptions, advertising, safety issues and the companies which manufactured washers.

Patric Richardson, aka the "Laundry Evangelist," reveals his revolutionary methods for cleaning clothes—and making laundry loads more fun. Doing laundry is rarely anyone's favorite task. But to Patric Richardson, laundry isn't just fun—it's a way of life. After years of running Laundry Camp at the Mall of America for thousands of eager learners, he's ready to share his tips, tricks, and hacks—bringing surprise and delight to this commonly dreaded chore. Sorting your laundry? It's not all about whites and darks. Pondering the wash cycles? Every load, even your delicates, should be washed using express or quick-wash on warm. Facing expensive dry cleaning bills? You'll learn how to wash everything—yes everything—at home. And those basically clean but smelly clothes? Richardson has a secret for freshening those too (hint: it involves vodka, not soap). Changing your relationship with laundry can also change your life. Richardson's handy advice shows us how to save time and money (and the planet!) with our laundry—and he intersperses it all with a healthy dose of humor, real-life laundry stories, and lessons from his Appalachian upbringing and career in fashion. Laundry Love will make you wonder why you ever stressed about ironing, dry cleaning, or (god forbid) red wine spills on your new couch. No matter the issue, Richardson is here to help you make laundry miracles happen—wrinkles and stains be damned.

In Clean Mama's Guide to a Healthy Home, Becky Rapinchuk, author of Simply Clean and creator of the popular cleaning website Clean Mama, provides a step-by-step guide to take charge of your home's wellness with a comprehensive, all-natural cleaning system.
