Differentiating the Common Core Standards: A Model. Sandra Kaplan, University of Southern California Jessica Manzone, University of Southern California. The introduction and value attributed to standards have to some degree obliterated the perceived need to differentiate curriculum for gifted students. The emphasis provided to educators regarding the importance of the standards to academic success often relegates the need for differentiation to a secondary level thus resulting in the ...

Differentiating the Common Core Standards: A Model

Bette Gould and Sandra Kaplan (yes, two people developed this framework!) looked to understand how an expert understands their field differently from a layperson. Through interviews, they saw that these experts knew things like repeating patterns, required rules, ethical dilemmas, changes over time, and essential vocabulary within their field.
