At 18 years old, Deborah longs for a life of travel and adventure, and since this is forbidden most females, the ingenious Deborah gets the bright idea to enlist in the Continental army — disguised as a man!

Prolific author of many history books for children, Ann McGovern ’ s true story of this daring young woman will keep readers on the edges of their seats as they wonder when and if Deborah, now "Robert Shurtliff," will be discovered.

The Secret Soldier by Ann McGovern | Scholastic

Secret Soldier does have its lulls but the action is at least as good as any fictional war novel. From infiltrating Buruit and Entebbee to strike at terrorists or tank hunting on the Golan Heights Betser takes you with him into the thick of the action and danger. Not for the squeamish or faint hearted.

Did Jane Fonda Betray American POWs in North Vietnam?

A good informational book (in story format for youngsters) about Deborah Sampson. She was a very brave woman during the Revolutionary War, posing as a male soldier. She had endurance and faith in herself to conquer what she did. Although a very brief account of her life, this is a great book for students.

The Secret Soldier: The Story of Deborah Sampson ...

Directed by Michael Bay. With John Krasinski, Pablo Schreiber, James Badge Dale, David Denman. During an attack on a U.S. compound in Libya, a security team struggles to make sense out of the chaos.

13 Hours (2016) - IMDb

Deborah Sampson wanted to travel and have adventures, but since she had no money, the best way to do that was to join the army. This is the exciting true story of a woman who became a soldier during the American Revolutionary War, by dressing and acting like a man.

Over a quarter million underage British boys fought on the Allied front lines of the Great War, but not all of them fought on the battlefield—some fought beneath it, as revealed in this

middle-grade historical adventure about a deadly underground mission. Secret Soldiers follows the journey of Thomas, a thirteen-year-old coal miner, who lies about his age to join the Claykickers, a specialized crew of soldiers known as “ tunnelers, ” in hopes of finding his missing older brother. Thomas works in the tunnels of the Western Front alongside three other soldier boys whose constant bickering and inexperience in mining may prove more lethal than the enemy digging toward them. But as they burrow deeper beneath the battlefield, the boys discover the men they hope to become and forge a bond of brotherhood. Secret Soldiers is another stunning story of strength, perseverance, and love from Keely Hutton.

Profiles the virtually unknown 23rd Headquarters Special Troops, an elite, thousand-man "ghost army" that helped win the Battle of Europe and fought in more campaigns than any other unit in the European Theater of Operations. 30,000 first printing.

In the 1700s, women's responsibilities were primarily child rearing and household duties. But Deborah Sampson wanted more from life. She wanted to read, to travel—and to fight for her country's independence. When the colonies went to war with the British in 1775, Deborah was intent on being part of the action. Seeing no other option, she disguised herself in a man's uniform and served in the Continental army for more than a year, her identity hidden from her fellow soldiers. Accomplished writer Sheila Solomon Klass creates a gripping firstperson account of an extraordinary woman who lived a life full of danger, adventure, and intrigue.

Get Free Secret Soldiers The Story Of World War Iis Heroic Army Of Deception

What do set design, sound effects, and showmanship have to do with winning World War II? Meet the Ghost Army that played a surprising role in helping to deceive — and defeat — the Nazis. In his third book about deception during war, Paul B. Janeczko focuses his lens on World War II and the operations carried out by the Twenty-Third Headquarters Special Troops, aka the Ghost Army. This remarkable unit included actors, camouflage experts, sound engineers, painters, and set designers who used their skills to secretly and systematically replace fighting units — fooling the Nazi army into believing what their eyes and ears told them, even though the sights and sounds of tanks and war machines and troops were entirely fabricated. Follow the Twenty-Third into Europe as they play a dangerous game of enticing the German army into making battlefield mistakes by using sonic deceptions, inflatable tanks, pyrotechnics, and camouflage in more than twenty operations. From the Normandy invasion to the crossing of the Rhine River, the men of the Ghost Army — several of whom went on to become famous artists and designers after the war — played an improbable role in the Allied victory.

An unforgettable novel based on the life of Ricky Richard Anywar, who at age fourteen was forced to fight as a soldier in the guerrilla army of notorious Ugandan warlord Joseph Kony Soldier Boy begins with the story of Ricky Richard Anywar, abducted in 1989 to fight with Joseph Kony's rebel army in the Ugandan civil war (one of Africa's longest running conflicts). Ricky is trained, armed, and forced to fight government soldiers alongside his brutal kidnappers, but never stops dreaming of escape. The story continues twenty years later, with

a fictionalized character named Samuel, a boy deathly afraid of trusting anyone ever again. Samuel is representative of the thousands of child soldiers Ricky eventually helped rehabilitate as founder of the internationally acclaimed charity Friends of Orphans. Working closely with Ricky himself, debut author Keely Hutton has written an eye-opening book about a boy ' s unbreakable spirit and indomitable courage in the face of unimaginable horror. This title has Common Core connections.

There have been thousands of books on the Great War, but most have focused on commanders, battles, strategy, and tactics. Less attention has been paid to the daily lives of the combatants, how they endured the unimaginable conditions of industrial warfare: the rain of shells, bullets, and chemical agents. In *The Secret History of Soldiers*, Tim Cook, Canada's foremost military historian, examines how those who survived trench warfare on the Western Front found entertainment, solace, relief, and distraction from the relentless slaughter. These tales come from the soldiers themselves, mined from the letters, diaries, memoirs, and oral accounts of more than five hundred combatants. Rare examples of trench art, postcards, and even song sheets offer insight into a hidden society that was often irreverent, raunchy, and anti-authoritarian. Believing in supernatural stories was another way soldiers shielded themselves from the horror. While novels and poetry often depict the soldiers of the Great War as mere victims, this new history shows how the soldiers pushed back against the grim war, refusing to be broken in the mincing machine of the Western Front. The violence of war is always present, but Cook reveals the gallows humour the soldiers employed to get through it. Over the years, both writers and historians have

Get Free Secret Soldiers The Story Of World War Iis Heroic Army Of Deception

overlooked this aspect of the men's lives. The fighting at the front was devastating, but behind the battle lines, another layer of life existed, one that included songs, skits, art, and soldier-produced newspapers. With his trademark narrative abilities and an unerring eye for the telling human detail, Cook has created another landmark history of Canadian military life as he reveals the secrets of how soldiers survived the carnage of the Western Front.

Profiles the virtually unknown 23rd Headquarters Special Troops, an elite, thousand-man "ghost army" that helped win the Battle of Europe and fought in more campaigns than any other unit in the European Theater of Operations. 30,000 first printing.

NOW A MAJOR MOTION PICTURE The harrowing, true account from the brave men on the ground who fought back during the Battle of Benghazi. 13 HOURS presents, for the first time ever, the true account of the events of September 11, 2012, when terrorists attacked the US State Department Special Mission Compound and a nearby CIA station called the Annex in Benghazi, Libya. A team of six American security operators fought to repel the attackers and protect the Americans stationed there. Those men went beyond the call of duty, performing extraordinary acts of courage and heroism, to avert tragedy on a much larger scale. This is their personal account, never before told, of what happened during the thirteen hours of that now-infamous attack. 13 HOURS sets the record straight on what happened during a night that has been shrouded in mystery and controversy. Written by New York Times bestselling author Mitchell Zuckoff, this riveting book takes readers into the action-packed story of heroes who laid their lives on the line for one another, for their countrymen, and for

Get Free Secret Soldiers The Story Of World War Iis Heroic Army Of Deception

their country. 13 HOURS is a stunning, eye-opening, and intense book--but most importantly, it is the truth. The story of what happened to these men--and what they accomplished--is unforgettable.

The book starts out picturing a young man who foolishly wants to go to war where he in vision ' s himself receiving all these high class medals for heroism but never once taking into account what it is going to take physically and mentally to get those medals. He ' s constantly playing a head game within himself and those that surround him. He like so many other young men of past eras are trying to be something that they ' re not and that small initial lie grows into a tremendous reputation that he has to live with and soon regrets that he ' s known by such. Come walk with the author and his brothers of the sword through the dark, humid, unforgiving jungles of Vietnam and experience the death, destruction, and mental sacrificial anguish they had to endure. Come see why you fear being alone in the denseness of a jungle or a forest that you have never entered before. Feel the heat of the Asian jungle floor intermixed with the leaches, ants, mosquitoes, snakes and humans searching you out only to destroy you at any cost. You see our author starts out innocently enough but soon finds out that war is not only a physical hardship demanding its pounds of flesh, but also is a horrendous mental agonizing hazard from which there is only one means of escape and/or retreat. That means to an end is death. Yes the author and his brothers of the sword will take their heroic missions and sacrificial allegiances to the grave with them. But, the real tragedy of it all is no one really cares about them in the first place. For they were and still are the " Secret Soldiers of the Second Army " willing to go anywhere, any time, to

Get Free Secret Soldiers The Story Of World War Iis Heroic Army Of Deception

do the impossible for the ungrateful.

An in-depth examination of Soviet military intelligence up to the rise of Nazi Germany.
