Mortal Kombat 11: What is the Gothic Horror Skin Pack?

By juxtaposing her own work with psychoanalytic criticism, Halberstam defines her own position and affect theories within the critical study of Gothic horror. At its base, Skin Shows discusses horror in Gothic literature and films as an affect produced by a foreign Other, who differs from the so-called normal in a variety of ways, producing terror by embodying the unknown. Most often, this Other appears in the form of a monster who is sexually different, and thus deviant, and audiences use ...
