Slosh | Definition of Slosh at Dictionary.com

Liquid sloshing can be defined as the movement of liquid free-surface inside a partially filled container due to any external disturbance. An Experimental Study of Sloshing Noise in a Partially Filled Rectangular Tank However, this type of method can lead to an increase in the sloshing response [8, 21].

Sloshing - definition of sloshing by The Free Dictionary

(of a liquid) to move around noisily in the bottom of a container, or to cause liquid to move around in this way by making rough movements: I could hear you sloshing around in the bath. We sloshed through the puddles. She sloshed (= poured without care) some more brandy into her glass.

SLOSHING | meaning in the Cambridge English Dictionary

Sloshing Similar to shagging, sloshing is slang for good, hard, wet sex. It also describes the sounds heard during intercourse when his cock is buried in her pussy and creates a wet suction sound with their mingled juices as he pounds her, usually from behind. It can be used in other forms to describe aspects of wet sex.

Urban Dictionary: Sloshing

In fluid dynamics, slosh refers to the movement of liquid inside another object (which is, typically, also undergoing motion). Strictly speaking, the liquid must have a free surface to constitute a slosh dynamics problem, where the dynamics of the liquid can interact with the container to alter the system dynamics significantly.

Slosh dynamics - Wikipedia

Recent Examples on the Web: Noun Though the slosh of Earth's oceans produces a comparable sound, scientists have yet to suss out a plausible cause for the Red Planet's curious tune.

Slosh | Definition of Slosh by Merriam-Webster

The slosh forces occur on a timescale of fractions of a second during flight events, such as accelerations or turbulence, while the propellant is used up over a period of months or years. Propellant Slosh Force and Mass Measurement

Slosh - definition of slosh by The Free Dictionary

1. To spill or splash out of some container as a result of it being moved around jerkily. The boat was rocking so badly in the waves that my drink kept sloshing around at the table. 2.

Slosh around - Idioms by The Free Dictionary

Sigh! I thought I'd seen the end of the sloshing problems in my car but now I have a new one :(I can hear what sounds like A LOT of water sloshing around in the boot area whenever I accelerate, break or turn. I used to hear this noise when I first got my car and it was the fuel in the tank because my tank didn't have baffles. Vauxhall ...
