Snarkitecture is a New York-based

collaborative design practice established to

investigate the boundaries between

disciplines.

Snarkitecture

File Type PDF Snarkitecture

Snarkitecture's work is focused on designing within existing spaces or collaboration with other artists and designers. They aim to reuse or misuse existing architecture to make architecture perform the unexpected. Arsham and Mustonen met while studying at the Cooper Union in New York City and established Snarkitecture as a formal practice in 2008.
