Spiritual Seeds is about "gaining the resources to impart spiritual and social wealth to our children." The purpose of this book is to give (pre-) parents a tangible model and workable vision for growing their family with God's caring provision.

Seeds are cast today to all people constraining The Church Within to prevent them from relying on the Word of God. Author Betsy Cobb Wise identifies seven Seeds of Spirituality that attempt to lodge themselves in our hearts. The Seeds of Spirituality of The Church Within are distinctive in description, personality, and spiritual nature as they manifest themselves to world. Test your heart and see what grows there. Let God, as seedsman, produce a protective seed coat over you, and enter into His manufacturing threshold of spirituality. Wear the seed coat (God's Word), dispel the infested Germ Seed (satan's lies), and walk past the gatepost shutting darkness behind you forever. Abiding in Christ daily and identifying The Seeds of Spirituality of The Church Within-in you will be God's threshing floor of deliverance.
