It just goes to show you that you can't apply adult rationale to discern a toddler's preferences. Spot videos are by far his favorite. This one has a number of charming stories including a trip to the farm where he is looking for all the baby animals. The new version is a reworked version of the original which came out in 1993.

This one tells the story of Spots dad taking him to see the farm animal which has given birth, so Spot goes around the farm looking for the baby animals. As I am reading it I feel kinda silly because Spot is a baby animal and it is a bit odd trying to explain to my son that he isn't the baby animal we are looking for, but as my son doesn't seem that interested I guess it's not all that important!

~~Spot Goes to the Farm (Spot's Lift the Flap): Hill, Eric~~

In 'Spot Goes to the Farm', Spot's dad takes his son to look for baby animals, but until near the end of the book, Spot only finds grown-up creatures behind the flaps. This book gently teaches the names of baby animals and the fun comes from identifying whether big or small animals are waiting to be uncovered.
