~~The Empire has risen. The Jedi Order has been destroyed. As far as the Emperor is concerned, the Jedi are all but extinct. But on the remote planet of Tatooine, one Jedi Master remains: Obi-Wan Kenobi. Devastated by the loss of his fellow Jedi - and th betrayal of his former apprentice Anakin - Obi-Wan has been left with one last task: to watch over and protect a young child named Luke. When Obi-Wan finds out that a former Jedi apprentice has survived, he must make a painful decision: whether to stay on Tatooine or go on one last, desperate mission - right into the heart of the Empire.~~

~~As a Jedi apprentice, Ferus Olin had to leave the Jedi Temple in disgrace. Now he must return to redeem himself - and save the future of the Jedi Order. The Empire now controls the Temple and everything inside...including, it is rumored, an imprisoned Jedi. Ferus and his street kid partner, Trever, must plunge into the depths of Coruscant in order to free this Jedi, exposing themselves to a dark underworld where both thieves and refugees hide from the Emperor's wrath. Breaking into the Temple isn't going to be easy...and surviving the underworld is going to be even harder.~~

~~NEW YORK TIMES BESTSELLER • Written with input from director Rian Johnson, this official adaptation of Star Wars: The Last Jedi expands on the film to include scenes from alternate versions of the script and other additional content. From the ashes of the Empire has arisen another threat to the galaxy's freedom: the ruthless First Order. Fortunately, new heroes have emerged to take up arms—and perhaps lay down their lives—for the cause. Rey, the orphan strong in the Force; Finn, the ex-stormtrooper who stands against his former masters; and Poe Dameron, the fearless X-wing pilot, have been drawn together to fight side-by-side with General Leia Organa and the Resistance. But the First Order's Supreme Leader Snoke and his merciless enforcer Kylo Ren are adversaries with superior numbers and devastating firepower at their command. Against this enemy, the champions of light may finally be facing their extinction. Their only hope rests with a lost legend: Jedi Master Luke Skywalker. Where the action of Star Wars: The Force Awakens ended, Star Wars: The Last Jedi begins, as the battle between light and dark climbs to astonishing new heights. Featuring thrilling photos from the hit movie~~

~~The Empire has taken over the galaxy. Anakin Skywalker is now Darth Vader. Most of the Jedi are gone but a few remain. And it is up to former Jedi apprentice Ferus Olin and his street-smart sidekick Trever to find them. No lead is too big or too small . . . even if it means walking into a trap set by the Empire.~~

~~As the Empire's power grows, Rebels face a choice: give in... or fight. Some form pockets of resistance on battleground planets, some go undercover, trying to fight the Empire from within. And others watch and wait. For Ferus Olin, hatred of the Empire is personal. The things that have been closest to him have been destroyed. The Jedi Order he once belonged to has been decimated. And the future isn't looking much brighter... Unless a true rebellion can be born.~~

~~Obi-Wan Kenobi is on a mission. Along with the former Jedi apprentice Ferus Olin and a headstrong kid named Trever, he is trying to keep the Jedi's most important secret safe from the inquisitive Empire. With Boba Fett on their trail and time running out, Obi-Wan, Ferus, and Trever must make some daring and desperate escapes...into even more danger. Along the way, they discover some incredible news: Obi-Wan and Yoda are not the only Jedi to have survived the Emperor's annihilation of the Order. There is at least one other...and he is hiding in the Caves of Ilum, a place where nightmares become reality and dark warnings tell of conflicts yet to come.~~

~~The penultimate installment to Jude Watson's Star Wars: The Last of the Jedi series. The planet of Alderaan is a peaceful one... and Senator Bail wants to keep it that way. But the presence of the Empire is starting to cast a shadow over their tranquility - as spies and traitors infiltrate the corridors of power. Alderaan holds a secret - a secret on which the future existence of the Jedi depends. Under strict instructions from the Emperor, double agent Ferus Olin must both uncover this secret and protect it. What he discovers raises dark questions from his own past - and puts him in direct conflict with another former Jedi... the sinister Dark Lord of the Sith, Darth Vader.~~

~~Since evil Emperor Palpatine destroyed the Jedi Knights and seized power, his reign has been absolute. He controls the Senate. He controls the Imperial Army. He controls the galaxy. He is a Sith. And now, for mysterious reasons, he wants to control Ferus Olin, ex-Padawan. Ferus does not want to aid the Empire in any way. But when the Emperor threatens the lives of the people closest to him, Ferus doesn't have a choice. He agrees to go on a secret mission for Palpatine - to become a double-agent - and somehow keep his allegiance to the fallen Jedi Order. Can he succeed? Or are the Emperor and his henchman Darth Vader too powerful to overcome?~~
