This terse novel by Taichi Yamada, a successful scriptwriter for Japanese television, is a ghost story that pens in spare strokes a portrait of urban alienation.

[Review: Strangers by Taichi Yamada | Books | The Guardian](#)

"Taichi Yamada's Strangers is a very efficient and chilling up-dating, to the 1980s (when it was written in Japanese), of a Noh-play-type story: of ghostly spirits filtering through into the living world, and of how the spirit must be put to rest by the living." - Anthony Thwaite, Sunday Telegraph

[Strangers - Yamada Taichi - Complete Review](#)

Strangers is one of those rare novels that can be enjoyed on many different levels. It may simply be read as a gripping ghost story, but it also contains many layers beneath the surface and with thought it quickly becomes more complex than it initially appears. This book encapsulates everything I love about Japanese literature.

[Strangers Taichi Yamada - 1x1px.me](#)

Taichi Yamada (異人 泰志, Yamada Taichi, b. June 6, 1934) is a Japanese screenwriter and novelist. His real name is Taichi Ishizaka (石坂 泰志, Ishizaka Taichi).

[Taichi Yamada - Wikipedia](#)

Strangers is quite a creepy book, a ghost story but Japanese and therefore very different from ghost stories in the Western tradition. I think it would be a spoiler to tell exactly how the book is different so I'm just going to attempt to keep this short and tell you about the writing, the characters, etc. Writing-wise, the book is a translation but very well done.

~~Bookfoolery : Strangers by Taichi Yamada~~

Taichi Yamada is one of the most famous and highly respected writers in Japan. Winner of many awards for literary excellence from private organizations and from the Japanese government, he is best known for his scripts for TV dramas, but has also written many novels and plays.

Television scriptwriter Harada encounters a man who resembles his dead father, and following this mysterious man through the city, Harada finds a world inhabited with lost souls, including his dead parents.

A woman is trying to contact Kasama Tsuneo at a crisis point in his life. But she won't reveal her identity. Kasama is an immigration officer in Tokyo, struggling to live a 'normal' life after an event that happened eight years previously, when he lived in the USA. His arranged marriage is looming, and he's seized by a strange emotional fit. And then the disembodied voice begins. All Tsuneo can do is desperately chase this woman, and the mystery behind what happened eight years earlier over the sea.

Following his acclaimed novels Strangers and In Search of a Distant Voice, I Haven't Dreamed of Flying for a While is another haunting, urban ghost story from Taichi Yamada.

A "real manga, real Japanese" study guide and resource for language students and teachers

Programmer Martin Cardwell tends to float along, letting chance or others make his big decisions. So when the dot-com crash of the early 2000s leaves him jobless and disoriented, he looks to his charismatic childhood friend Swanson Geach, the only person around who's got life figured out. But as Swanson's big idea, a vacation rental business in Paris, goes sideways, Martin gets a sink-or-swim education - provided by the local scammers, a luminous grad student wise beyond her years, an offbeat research center, and his old friend Swanson, who seems to be coming slowly unhinged.

A ghost story that begins in everyday tragedy, from a distinctly American master of both forms: a "scary, sad, funny . . . mesmerizing read" (Stephen King) At Midnight on Halloween in a cloistered New England suburb, a car carrying five teenagers leaves a winding road and slams into a tree, killing three of them. One escapes unharmed, another suffers severe brain damage. A year later, summoned by the memories of those closest to them, the three that died come back on a last chilling mission among the living. A strange and unsettling ghost story, The Night Country creeps through the leaf-strewn streets and quiet cul-de-sacs of one bedroom community, reaching into the desperately connected yet isolated lives of three people changed forever by the accident: Tim, who survived yet lost everything; Brooks, the cop whose guilty secret has destroyed his life; and Kyle's mom, trying to love the new son the doctors returned to her. As the day wanes and darkness falls, one of them puts a terrible plan into effect, and they find themselves caught in a collision of need and desire, watched over by the knowing ghosts. Macabre and moving, The Night Country elevates every small town's bad high school crash into myth, finding the deeper human truth beneath a shared and very American tragedy. As in his highly-prized Snow Angels and A Prayer for the Dying, once again Stewart O'Nan gives us an intimate look at people trying to hold on to hope, and the consequences when they fail.

It was October, and morning dawned brisk and cool just like any other autumn day. But by noon Pierres world had turned upside down. The Edict of Nantes had been revoked, and the Huguenots were no longer free to practice their religion. Anyone who refused to convert would be imprisoned, and the dragoons had orders to kill anyone who tried to escape. In just

a few days the fate of Pierres family would rest on his 12-year-old shoulders. But in the meantime a mysterious beggar would appear on their doorstep with a cryptic message, and a moonlit journey to Grand-pres estate would expose an unexpected spy.

This is the ultimate bible to Paris unknown It's the Paris guide even Parisians are buying - full of finds surprising even to the locals Think of this book as your new travel companion, your closest Parisian confidante, your endless bottle of wine while in Paris A new and updated second edition (to also change on the information sheet)What's New? - New off-beat investigative walks, collector's addresses, location scouting and people-watching spots, new dining discoveries, in-depth flea market advice, clues for architectural hunting, creative new ways to escape city life without really trying & much more...If you want to see Paris like it is in the movies, Nessy will show you the director's cut.
