Generating leads and landing new business are critical to the growth and long-term success of any type of service business. Rainmakers who are able to consistently gain new business by using their selling skills to convert prospects into new customers are difficult to find. Recruiting rainmaking professionals from other organizations is expensive and for many businesses has been largely ineffective. Every executive and manager of a service business understands the importance of the ability to generate leads and landing new customers are the critical components to a successful business. This book is written for managers and leaders who want to transform their professionals from doing work to effectively marketing and selling and bringing in new business. Divided into three comprehensive parts: Charting a new course; The fundamental success models; and Building your business, this book will show you how to: Help professionals overcome fear of selling Acquire the right sales capabilities Market and sell within your comfort zone Setting and achieving big goals Leverage existing customers to acquire new ones Build accountability across the business

Have you ever wondered how to travel throughout the universe without moving a step then my friend come and follow me as I give the instructions on how to build technology to show you how to do it, the parts come from Home Depot, Lowes or any hardware store. If you believe in aliens, galactic federations of light, if you are believer of Buddhism, if you are spiritual, scientist, UFO-ligist, metaphysical, engineer, curious person, explorer, inventor or open minded person then this book is for you. If you are a humanitarian, love to help people reach enlightenment, if you are a person who seeks enlightenment, love and ascension into a god like being then this book is for you. If you want to explore this universe and other universes and higher planes of existence then this book is for you. Come on board and see were the adventure takes us all in this exploration into enlightenment and ascension journey through meditation and practical metaphysical technology.

Every manager of a professional firm realizes that generating leads and landing new clients are critical components of any successful business venture. But transforming accountants, architects, attorneys, consultants, engineers, and other professionals into client-generators is not always easy to do. Divided into two comprehensive parts-The Rainmaker Model and The Elements of Rainmaking-Creating Rainmakers outlines all the steps you should take to turn your professional staff into a powerful team of sales winners. Filled with in-depth insight and practical advice, this book will show you how to: * Generate leads * Build a strong network of contacts * Master a variety of sales techniques * Develop capable successors to current rainmakers * And much more Based on more than 100 interviews with the principals of professional firms, including many of today's preeminent rainmakers, this valuable guide has the information you need to help your company succeed.

Explains how to track weather patterns, read weather maps, and identify cloud formations while exploring the effects of pollution, hurricanes, and El Niño.

Universal Studios never really wanted to get into the theme park business. They wanted to be the anti-Disney. But when forced to do so, they did it in a big way. Despite the fits and starts of multiple owners, the parks have finally gained the momentum to mount a serious challenge to the Walt Disney Company. How did this happen? Who made it happen? What does this mean for the theme park industry? In Universal Versus Disney, his newest work to investigate the histories of America's favorite theme parks, seasoned Disney-author Sam Gennawey has thoroughly researched how Universal Studios shook up the multi-billion dollar theme park industry, one so long dominated by Walt Disney and his legacy.

This book is a complete encyclopedia of business development training techniques, indispensable advice for law firm management, partners, and associates looking to successfully bring in clients

It's summer in Memphis. The sweat is sticking to Rudy Baylor's shirt and creditors are nipping at his heels. Once he had aspirations of breezing through law school and punching his ticket to the good life. Now he doesn't have a job or a prayer...except for one: an insurance dispute that leaves a family devastated and opens the door for a lawsuit, if Rudy can find a way to file it. By the time Rudy gets to court, a heavyweight corporate defense team is there to meet him. And suddenly he's in over his head, plunged into a nightmare of lies and legal maneuverings. A case that started small is exploding into a thunderous million-dollar war of nerves, skill and outright violence--a fight that could cost one young lawyer his life, or turn him into the biggest rainmaker in the land.... BONUS: This edition includes an excerpt from John Grisham's The Litigators.
