That ' s what the great German social psychologist, psychoanalyst, and philosopher Erich Fromm (March 23, 1900 – March 18, 1980) examines in his 1956 masterwork The Art of Loving (public library) — a case for love as a skill to be honed the way artists apprentice themselves to the work on the way to mastery, demanding of its practitioner both knowledge and effort.

Philosopher Erich Fromm on the Art of Loving and What It

Fromm questions if love is an art, in which case it requires knowledge and effort. Or, instead is it a warm fuzzy feeling that, with luck, might bring happiness? His book is based on the former premise and he begins to outline how love has been misunderstood, then covers three main errors our culture employs when assessing love.
