The Birth of the Modern: Europe and Its Others I downloaded this series of lectures because I was interested in the subject and I really wanted to learn what the course has to offer. I think the professor has a lot of interesting knowledge to impart, but his frequent "ahs" and changing what he is saying in the middle of a sentence makes for a painful listening experience.

Open the door to a world of Impressionist interiors where artists such as Monet, Renoir and Morisot painted canvases, panels and objects to decorate people's homes rather than the walls of galleries.

Impressionist Decorations: The Birth of Modern Décor

A thoroughly enjoyable account of how the modern world came to be modern. It starts with Kijinsky, the Russian dancer, who defied all the conventions of the time. The research is exhaustive and the facts he unearthed make it a lively and scholarly book. If you like reading history, I do recommend this book.

The Birth of the Modern Mind: Self, Consciousness, and the Invention of the Sonnet. This revolutionary study presents new facts and an original theory about the origin of the thought and literature that may be considered "modern." Using fifty-one new translations of sonnets from four languages spanning seven centuries, Oppenheimer argues that "modern" thought and literature were born with the invention of the sonnet in 13th-century Italy.
