The Brand Called You: The Ultimate Brand-Building and ...

You as a Brand. What is a brand? A brand is a whole set of associations, expectations, memories and desires. A brand is powerful. When a young man named Ralph Lifshitz decided to establish his own high-end clothing brand, and to market it by associating it with a fantasy of yachting society, polo games and cultivated taste, one of the first things he did was change his name to Ralph Lauren.

The Brand Called You Free Summary by Peter Montoya et al.

I first read Tom Peter's classic article, "The Brand Called You," in 1998. I never forgot it. It changed the way I thought, and think, about the brand called, "Me Inc.," as Tom Peters calls it. It has been a number of years since I had read Tom's important approach to this career-changing topic.

The Brand Called You. By Lisa Curran Parenteau , LMT, NCTMB. 12/16/2009. The use of social media tools is exploding in our profession. One of the interesting by-products of our online connectivity is the continued blurring of the lines between professional and personal identities. Discovering and growing your personal brand online and off is more important today than ever for your successful practice.

The Brand Called You - Massage Today

If your brand is meant to be a career resource, then put some thought into what you want to be doing in the future and what potential associates or employers will be seeking. All this talk of pitching and branding also reminded me of an article from a 1997 issue of Fast Company: "The Brand Called You". A colleague sent this to me a couple of years ago, after a like-minded discussion about personal branding, cover letters and résumés.
