Richmond, Virginia: On the morning of October 19, 1979, parolee James Briley stood before a judge and vowed to quit the criminal life. That same day, James met with brothers Linwood, Anthony, and 16-year-old neighbor Duncan Meekins. What they planned-and carried out-would make them American serial-killer legends, and reveal to police investigators a 7-month rampage of rape, robbery, and murder exceeding in brutality already documented cases of psychopaths, sociopaths, and sex criminals. As reported in this book, the Briley gang were responsible for the killing of 11 people (among these, a 5-year-old boy and his pregnant mother), but possibly as many as 20. Unlike most criminals, however, the Briley gang's break-ins and robberies were purely incidental-mere excuses for rape and vicious thrill-kills. When authorities (aided by plea-bargaining Duncan Meekins) discovered the whole truth, even their tough skins crawled. Nothing in Virginian history approached the depravities, many of which were committed within miles of the Briley home, where single father James Sr. padlocked himself into his bedroom every night. But this true crime story did not end with the arrests and murder convictions of the Briley gang. Linwood, younger brother James, and 6 other Mecklenburg death-row inmates, hatched an incredible plan of trickery and manipulation-and escaped from the "state-of-the-art" facility on May 31, 1984. The biggest death-row break-out in American history.

In the early 1940s, the city of Chicago was in the midst of a one man crime wave. But this crime wave was unlike any other in Chicago history. It was not perpetrated by a seasoned gangster like Al Capone or sophisticated serial killer like John Wayne Gacy: the offender in question was an unassuming teenager named William George Heirens. Before Heirens' crime spree was over, he burglarized over 300 hundred homes and murdered three innocent people. In this true crime murder book you will learn the details of Heirens' rampage through the city of Chicago and what drove him to become one of the most disturbed psychopaths and sociopaths in the annals of all true crime stories. At first glance, as an American serial killer, Heirens may not appear as formidable as others since he only claimed three victims. He was also much younger the average serial killer and was a nice looking young man when he was arrested. But the truly frightening aspect of Heirens' story is how a seemingly normal child, with a stable home, can evolve into a petty criminal and eventually to the status of serial killer. A close examination of Heirens' life will reveal that beneath the facade of normalcy lurked a vicious killer waiting to be unleashed on the hapless citizens of Chicago. This book will at times shock and disturb you, but you will not be able to put it down once you read the first page! Truly, you will see a youth who was well on his way to becoming a killer at an early age. So sit back and prepare to enter the mind of a truly disturbed youth as you read this unique Chicago serial killer's biography."

Tells the true story of how a cold case murder of a babysitter in 1964 Nashville was finally solved when a private citizen stumbled upon a secret file related to the case.

When Chris Bryson was discovered nude and severely beaten stumbling down Charlotte Street in Kansas City in 1988, Police had no idea they were about to discover the den of one of the most sadistic American serial killers in recent history. This is the true historical story of Robert Berdella, nicknamed by the media the Kansas City Butcher, who from between 1984 and 1988 brutally raped, tortured and ultimately dismembered 6 young male prostitutes in his unassuming home on a quiet street in Kansas City. Based on the actual 720 page detailed confession provided by Berdella to investigators, it represents one of the most gruesome true crime stories of all time and is unique in the fact that it details each grizzly murder as told by the killer himself. From how he captured each man, to the terrifying methods he used in his torture chamber, to ultimately how he disposed of their corpses - rarely has there ever been a case where a convicted serial killer confessed to police in his own words his crimes in such disturbing detail. Horrific, shocking and rarely equaled in the realms of sadistic torture - Berdella was a sexually driven lust killer and one of the most sadistic sex criminals ever captured. Not for the faint of heart, this is the tale of Robert "Bob" Berdella, the worst serial killer in Kansas City History and for those that are fans of historical serial killers, is a true must read.

The tragic, true story of Helen Spence, the teenager who murdered her father's killers in the insulated lower White River area of Arkansas in 1931. The once-thriving houseboat communities along Arkansas's White River are long gone, and few remember the sensational murder story that set local darling Helen Spence on a tragic path. In 1931, Spence shocked Arkansas when she avenged her father's murder in a DeWitt courtroom. The state soon discovered that no prison could hold her. For the first time, prison records are unveiled to provide an essential portrait. Join author Denise Parkinson for an intimate look at a Depression-era tragedy. The legend of Helen Spence refuses to be forgotten—despite her unmarked grave. “Most memorably, Parkinson evokes the natural beauty of the White River itself. But more importantly, she’s given Helen Spence, daughter of the river, a sympathetic hearing—something in its pulp version of events Daring Detective did not.”—Memphis Flyer “Denise details Helen’s life, from the murder of her father to the horrific treatment she received at the hands of the law, including how prison officials seemed to entice her to escape a final time, with the attempt culminating in her murder.”—Only in Arkansas
