pervasiveness of specific violent patterns within a societal dimension. The concept of violence being ingrained in Western society and culture has been around for at least the 20th century. Developed from structural violence, as research progressed the notion that a culture can sanction violent acts developed into what we know as culture of violence theory today. Two prominent examples of culture legitimizing violence can be seen in rape myths and vic

Today

Presenting the fierce and vital writing of organizers, lawyers, scholars, poets, and policy makers, Color of Violence radically repositions the antiviolence movement by putting women of color at its center. The contributors shift the focus from domestic violence and sexual assault and map innovative strategies of movement building and resistance used by women of color around the world.

In *Cultural Defenses in the Criminal Legal System* (2002), Leti Volpp analyzes the use of cultural defenses in the courts by raising questions about our role in spreading notions of culture and negotiating between sexism and racism. Cultural defenses in domestic violence cases use politically expedient stereotypes of culture, forwarded by attorneys on behalf of defendants, to play into already ...
