Told through Steven Matthews' own extraordinary experiences, as well as writing from his mother's diaries and previously unpublished photos of historical significance, The Day the Nazis Came is an utterly unique memoir. Depicting the world of Nazi prison camps through the eyes of a child a world in which the real dangers often seemed trivial and every day was a new adventure it tells not just of the prisoners' desperate plight, but provides an important and poignant reminder that not every ...

The Day The Nazis Came North. It's October 22, 1943. Kriegsmarine U-boat captain Peter Schrewe stands on the mountainous tip of northern Labrador, peering at the fog settling over Davis Strait. As the wet cold nips him through his navy-wool coat, he realizes that he and the four-dozen officers standing with him are the first Nazis to land under arms in North America.
