In May 1870, seven members of the Marshall family, including three small children, were found brutally murdered in their home in Denham, Buckinghamshire. They had all been bludgeoned to death with a sledgehammer, an axe and a poker. The crime scene looked like a battlefield or a slaughterhouse. In *THE DENHAM MASSACRE*, retired Metropolitan police officer Neil Watson provides the first full-length study of this sensational but largely forgotten Victorian murder case. He carefully reconstructs the events leading up to the crimes and their aftermath, and describes in detail the police investigation and the eventual arrest of the suspect John Owen, an armed and dangerous criminal with a long record of petty offending. Following a day-long trial, Owen was convicted of the capital crimes and executed at Aylesbury Gaol by the notorious hangman William Calcraft. The Denham Massacre stands as one of the most shocking and disturbing cases of mass murder in British criminal history. Based on years of original research into the case, and drawing on his experience as a serving police officer, Neil Watson takes us unforgettably to the very heart of a real-life Victorian murder mystery. It is a gripping, provocative read.

Denham has been known to house some notable residents such as the late Cilla Black, Sir John Mills, Paul Daniels, Shane Richie and a fair few more to mention. However, the tiny village sadly has more of a tale to tell than that of housing celebrities, and it is a tale told and known by many people far and wide. *The Evil that Came to Denham* is based on the true and gruesome tale of the Denham

Massacre which took place in 1870 in Denham Village. The story is told from the point of view of the author's own father which adds credibility and believability to an incredible narrative. The macabre subject matter is sensitively treated and the tale is retold with empathy and feeling for the characters involved. With suspense, intrigue and mystery, in addition to real life matters of family and work, *The Evil that Came to Denham* really does have something for everyone.

This book features fifty-six Victorian murder cases from the files of the Illustrated Police News.

This chilling volume brings together more murderous tales that shocked not only the county but made headline news throughout the nation. Covering the length and breadth of Buckinghamshire, the featured cases include the brutal slaying of a family of seven in Denham in 1870, the killing of a butcher's wife in Victorian Slough for which no one was ever found guilty, a double shooting at Little Kimble and a killing near Haddenham in 1828, in which a letter written a year later sealed the killers' fate, and the doctor who disappeared in 1933 and whose decomposed corpse was found in Buckinghamshire woods the following year. This well-illustrated and enthralling text will appeal to everyone interested in true-crime history and the shadier side of Buckinghamshire's past.

Robbery. Buckinghamshire has one of the darkest histories on record. Its residents included the Dinton Hermit – better known as Charles I's executioner – and Sir Everard Digby, the Gayhurst nobleman who tried to blow up James I, as well as a truly apocalyptic priest at Water Stratford. With Romans running amok in the Chilterns and the Anglo-Saxons terrorising Aylesbury, this chilling catalogue of battles, deaths, diseases and disasters will make you see the county in a whole new light.

Winner of the 2015 Man Booker Prize One of Entertainment Weekly's Top 10 Books of the Decade One of the Top 10 Books of 2014 – Michiko Kakutani, The New York Times A “thrilling, ambitious . . . intense” (Los Angeles Times) novel that explores the attempted assassination of Bob Marley in the late 1970s, from the author of *Black Leopard, Red Wolf* In *A Brief History of Seven Killings*, Marlon James combines brilliant storytelling with his unrivaled skills of characterization and meticulous eye for detail to forge an enthralling novel of dazzling ambition and scope. On December 3, 1976, just before the Jamaican general election and two days before Bob Marley was to play the Smile Jamaica Concert to ease political tensions in Kingston, seven gunmen stormed the singer's house, machine guns blazing. The attack wounded Marley, his wife, and his manager, and injured several others. Little was officially released about the gunmen, but much has been whispered, gossiped and sung about in the streets of West Kingston. Rumors abound regarding the assassins' fates, and there are suspicions that the attack was politically

motivated. A Brief History of Seven Killings delves deep into that dangerous and unstable time in Jamaica's history and beyond. James deftly chronicles the lives of a host of unforgettable characters – gunmen, drug dealers, one-night stands, CIA agents, even ghosts – over the course of thirty years as they roam the streets of 1970s Kingston, dominate the crack houses of 1980s New York, and ultimately reemerge into the radically altered Jamaica of the 1990s. Along the way, they learn that evil does indeed cast long shadows, that justice and retribution are inextricably linked, and that no one can truly escape his fate. Gripping and inventive, shocking and irresistible, A Brief History of Seven Killings is a mesmerizing modern classic of power, mystery, and insight.
