~~The Enemy Series by Charlie Higson - Goodreads~~

Dance with the Enemy is the action-packed and gripping first chapter in the highly-acclaimed and bestselling Enemy series of espionage thrillers featuring Carl Logan. Carl Logan was the perfect agent. A loner. No real friends or family. Trained to deal with any situation with cold efficiency, devoid of emotion.

~~The Enemy Series, Books 1 3 eBook by Charlie Higson ...~~

The Enemy is the first book in this series of novels that revolves around teens who apparently have survived a very devastating disease. The teens converge in one place and try to live it out there but they are soon running short of supplies.

~~Enemy - Book Series In Order~~

The Enemy is the first book in a planned series of seven. Puffin Books released the second novel in the series, titled The Dead , on 16 September 2010; the third novel, titled The Fear , on 15 September 2011; the fourth novel, The Sacrifice , on the 20 September 2012; the fifth novel, The Fallen , on 12 September 2013; the sixth novel, The Hunted , on 4 September 2014; [3] and the final book, The End , on 10 November 2015. [4]

~~The Enemy (Higson novel) - Wikipedia~~

That is the first book in the series. The second book was better, and the third book was even better than the second. This is really a convoluted love story. The author then doesn't tell what happens, but he writes the ending so the reader can decide how they want the story to end.

When money, power, and status start a battle with desire, obsession, and love, it's anyone's guess who will come out the victor. Facing the Enemy - Ramsey Reed has more money, power, and status than most people his age. And when Emerson Andr

In the wake of a devastating disease, everyone sixteen and older is either dead or a decomposing, brainless creature with a ravenous appetite for flesh. Teens have barricaded themselves in buildings throughout London and venture outside only when they need to scavenge for food. The group of kids living a Waitrose supermarket is beginning to run out of options. When a mysterious traveler arrives and offers them safe haven at Buckingham Palace, they begin a harrowing journey across London. But their fight is far from over-the threat from within the palace is as real as the one outside it. Full of unexpected twists and quick-thinking heroes, The Enemy is a fast-paced, white-knuckle tale of survival in the face

of unimaginable horror.

They'll chase you. They'll rip you open. They'll feed on you . . . The Enemy (Book 1) When the sickness came, every parent, police officer, politician - every adult - fell ill. The lucky ones died. The others are crazed, confused and hungry. Only children under fourteen remain, and they're fighting to survive. A gang of children begin their quest across London, where all through the city - down alleyways, in deserted houses, underground - the grown-ups lie in wait. The Dead (Book 2) Jack and Ed are best friends, but their battle to stay alive tests their friendship to the limit as they go on the run with a mismatched group of other kids. And one adult. Greg, a butcher, who claims he's immune to the disease. As a fresh disaster threatens to overwhelm London, they realize they won't all survive... The Fear (Book 3) DogNut and the rest of his crew want to find their lost friends, and set off on a deadly mission from the Tower of London to Buckingham Palace and beyond, as the sickos lie in wait. But who are their friends and who is the enemy in this changed world?

The disease only affects people sixteen or older. It starts with the symptoms of a cold. Then the skin begins to itch, and spots appear--spots that soon turn into pus-filled boils. But the worst part is the headache, the inner voices that tell you that you need to eat them . . . the young ones. When the Disaster strikes, the world turns upside down for Ed, Jack, Bam and the other students at Rowhurst School. The parents and older siblings they left back at home are dead--or worse. Once the teachers go on the attack, the kids know it's time to escape and make their way to the city. It's got to be better in London . . . or will it be worse?

The sickness infected everyone sixteen and over, and no one escaped its terror. Now kids all over London are forming allegiances and battling grown-ups in order to survive. But who is a friend and who is an enemy?

Shadowman, realizing that Saint George's army is headed toward the center of London, has raced ahead to warn the kids of the impending disaster. He knows that he has to make them understand--somehow--that they are going to have to work together. This means that Nicola and her kids at the Houses of Parliament, David and his kids at Buckingham Palace, Matt at St. Paul's, General Jordan Hordern and his troops at the Tower of London, the squatters in St. James Park, and all the kids at the Natural History Museum must unite. But will they do it in time? The book culminates in a massive pitched battle in Hyde Park. How will it play out? Who will be the winners and who the losers? One thing is certain: this series will not go out with a whimper!

Can't get enough of Charlie Higson's gruesome Enemy series? This exclusive short story will satisfy that thirst for more blood and gore! In a changed world where adults have become sickos ravaged by disease, everyone under the age of fourteen is fighting to survive. Chris and his friends are determined to mark World Book Day, but when a fellow survivor turns against them they're left defenceless. Can they stop a gruesome attack from their violent enemy in a deadly battle of geeks vs zombies? ** 2013 is the year of zombies, with Brad Pitt's World War Z and Nicholas Holt's Warm Bodies films hitting cinemas. ** 'Lord of the Flies with zombies' - Rick Riordan, creator of the Percy Jackson series. ** Perfect for bloodthirsty fans of 28 Days Later and Darren Shan's Zom-B series.

Emerson Andrews has been through hell. From her father's emotional and physical abuse, to the murder of her mother by the hands of the same man. So, an elite prep school full of the 1%? No sweat. Ramsey Reed feared no man. Only 18 years old, and the entire town danced to his malicious tune. So, when Emerson Andrews comes to town, she's just another sheep joining his flock. Or so he thought.

Dance with the Enemy is the action-packed and gripping first chapter in the highly-acclaimed and bestselling Enemy series of espionage thrillers featuring Carl Logan.

Jack Reacher. Hero. Loner. Soldier. Soldier's son. An elite military cop, he was one of the army's brightest stars. But in every cop's life there is a turning point. One case. One messy, tangled case that can shatter a career. Turn a lawman into a renegade. And make him question words like honor, valor, and duty. For Jack Reacher, this is that case. New Year's Day, 1990. The Berlin Wall is coming down. The world is changing. And in a North Carolina "hot-sheets" motel, a two-star general is found dead. His briefcase is missing. Nobody knows what was in it. Within minutes Jack Reacher has his orders: Control the situation. But this situation can't be controlled. Within hours the general's wife is murdered hundreds of miles away. Then the dominoes really start to fall. Two Special Forces soldiers—the toughest of the tough—are taken down, one at a time. Top military commanders are moved from place to place in a bizarre game of chess. And somewhere inside the vast worldwide fortress that is the U.S. Army, Jack Reacher—an ordinarily untouchable investigator for the 110th Special Unit—is being set up as a fall guy with the worst enemies a man can have. But Reacher won't quit. He's fighting a new kind of war. And he's taking a young female lieutenant with him on a deadly hunt that leads them from the ragged edges of a rural army post to the winding streets of Paris to a confrontation with an enemy he didn't know he had. With his French-born mother dying—and divulging to her son one last, stunning secret—Reacher is forced to question everything he once believed...about his family, his career, his loyalties—and himself. Because this soldier's son is on his way into the darkness, where he finds a tangled drama of desperate desires and violent death—and a conspiracy more chilling, ingenious, and treacherous than anyone could have guessed. BONUS: This edition contains an excerpt from Lee Child's Make Me.

The Enemy is among us . . . First the sickness rotted the adults' minds. Then their bodies. Now they stalk the streets of London, hunting human flesh. The Holloway crew are survivors. They've fought their way across the city and made it to the Natural History Museum alive--just barely. But the fight will never end while the Enemy lives, unless there's another way. . . The kids at the museum are looking for a cure. All they need are medical supplies. To get them they must venture down unfamiliar streets, where it isn't only crazed,

Download Ebook The Enemy Series Books 1 3 The Enemy Series Box Set

hungry sickos who lurk in the shadows. In this fifth terrifying entry in Charlie Higson's Enemy series, suddenly it's not so clear who--or what--the enemy is.
