Folk literature, also called folklore or oral tradition, the lore  
(traditional knowledge and beliefs) of cultures having no  
written language. It is transmitted by word of mouth and  
consists, as does written literature, of both prose and verse  
narratives, poems and songs, myths, dramas, rituals,  
proverbs, riddles, and the like.

Folk literature - Folk literature - Major forms of folk  
literature: Singing of some kind is almost universal, and it is  
probable that where there are no reports of it the  
information is simply missing. Folk song implies the use of  
music, and the musical tradition varies greatly from one area  
to another. In some places the words of songs are of little  
importance and seem to be used primarily as ...

Oral literature or folk literature is a literature that is spoken or sung as opposed to that which is written, though much oral literature has been transcribed. There is no standard definition, as folklorists have varying descriptions for oral literature or folk literature. A broad conceptualization refers to it as literature characterized by oral transmission and the absence of any fixed form. It includes the stories, legends, and history passed from generations in a spoken form.
