How Their Ideas

Can Help Us

*The Great Economists:
how their ideas can help
us today*

The Great Economists describes the lives and work of 13 economists in chronological order from Adam Smith to Solow and Samuelson, and simultaneously tries to predict what they

Get Free The Great

would make of modern economic problems. Can we really know for sure what an economist from the 1700s would make of the modern world? Could the book have been better edited?
