Like a pagan god, Rolfe the Relentless rode into Castle Aelfgar to claim it as his prize--and Lady Alice as his bride. Lauded for his bravery in France, in England he was the hated enemy. Once ensconced in his new domain, Rolfe became determined to tame the Saxon beauty Ceidre, Alice's illegitimate sister, whose spirit and sensuality make him risk treason to have her--not Lady Alice--in his bed... Mysterious and seductive, she was no lady but a spy for the rebel cause of her noble half brothers. Refusing to bow to this arrogant warrior who ignited her forbidden passion, Ceidre was swept into a dangerous liaison tied to the fate of England and kings. Yet with his kisses on her lips, his skillful hands on her body, she would have to struggle not to surrender to... The Conqueror.

It is AD 312. Rome teeters on the brink of war. Constantine's army is on the move. On the Rhine frontier, Brandulf Rex, a pagan Germanic barbarian, joins the Roman army as a spy and special forces operative. Down in Rome, Junia Flavia, the lovely and pious daughter of a nominally Christian senator, finds herself embroiled in anti-Christian politics as she works on behalf of the church. As armies converge and forces beyond Rex's and Flavia's controls threaten to destroy everything they have worked for, these two people from different worlds will have to work together to bring down the evil Emperor Maxentius. But his villainous plans and devious henchmen are not easily overcome. Will the barbarian warrior and the senator's daughter live to see the Empire bow the knee to Christ? Or will their part in the story of Constantine's rise meet an untimely and brutal end? Travel back to one of the most pivotal eras in history--a time when devotion to the pagan gods was fading and the Roman Empire was being conquered by the sign of the cross.

Who better to fight back the darkness of the world than the one responsible for most of it? Daylen, once known as the Great Bastard, the Scourge of Nations, Dayless the Conqueror, has lived in hiding since his presumed death. Burdened by age and tremendous guilt, he thinks his life is coming to an end. Unbeknownst to him he's about to embark on a journey towards redemption where his ruthless abilities might save the world. Many battles await with friends to be made and a past filled with countless crimes to confront, all the while trying to keep his true identity a secret. Indeed, it might be too much if not for the fabled power awaiting him. Everfall is a world of perpetual day where the continents float in an endless sky. If one jumps from the continent they will fall for many hours before returning to the same place from which they fell. Skyships rule the air powered by shining sunstone and industrial darkstone. A legendary order of knights bears mystical powers which they use to hunt out the dreaded Shade, monsters that regular people turn into if trapped in darkness for the length of a fall. It is a world of enchanted swords, merciless monsters, mystical knights and hard magic, filled with tales of wonder and adventure.

NEW YORK TIMES BESTSELLER Around the year 1049, William, Duke of Normandy and future conqueror of England, raced to the palace of Baldwin V, Count of Flanders. The count's eldest daughter, Matilda, had refused William's offer of marriage and publicly denounced him as a bastard. Encountering the young woman, William furiously dragged her to the ground by her hair and beat her mercilessly. Matilda's outraged father immediately took up arms on his daughter's behalf. But just a few days later, Baldwin was aghast when Matilda, still recovering from the assault, announced that she would marry none but William, since "he must be a man of great courage and high daring" to have ventured to "come and beat me in my own father's palace." Thus began the tempestuous marriage of Matilda of Flanders and William the Conqueror. While William's exploits and triumphs have been widely chronicled, his consort remains largely overlooked. Now, in her groundbreaking *Queen of the Conqueror*, acclaimed author and historian Tracy Borman weaves together a comprehensive and illuminating tapestry of this noble woman who stood only four-foot-two and whose role as the first crowned Queen of England had a large and lasting influence on the English monarchy. From a wealth of historical artifacts and documents, Matilda emerges as passionate, steadfast, and wise, yet also utterly ruthless and tenacious in pursuit of her goals, and the only person capable of taming her formidable

Get Free The Heart Of The Conqueror The Chronicles Of Matilda Lady Of Flanders Book 1

husband—who, unprecedented for the period, remained staunchly faithful to her. This mother of nine, including four sons who went on to inherit William ' s French and English dominions, confounded the traditional views of women in medieval society by seizing the reins of power whenever she had the chance, directing her husband ' s policy, and at times flagrantly disobeying his orders. Tracy Borman lays out Matilda ' s remarkable story against one of the most fascinating and transformative periods in European history. Stirring, richly detailed, and wholly involving, *Queen of the Conqueror* reveals not just an extraordinary figure but an iconic woman who shaped generations, and an era that cast the essential framework for the world we know today. Praise for *Queen of the Conqueror* “ [Tracy Borman] brings to life Queen Matilda ' s enormous accomplishments in consolidating early Norman rule. Alongside her warrior husband, William I, Matilda brought legitimacy, a deeper degree of education, diplomatic savvy and artistic and religious flowering to the shared Norman-English throne. Borman . . . the chief executive of Britain ' s Heritage Education Trust, fleshes out the personality of this fascinating woman, who set the steely precedent for subsequent English female sovereigns by displaying great longevity and stamina in a rough, paternalistic time. . . . A richly layered treatment of the stormy reign that yielded the incomparable Bayeux Tapestry and the Domesday Book. ” —Kirkus Reviews “ Tracy Borman tells this story with a steady eye and a steady hand, tracing what can be known of Matilda ' s part in the events that were to change the course of English history. ” —Helen Castor, *Literary Review*

Set in the river bottoms of southeast Texas where the Navasota and Brazos rivers come together, *High John the Conqueror* tells the story of African American cotton farmers struggling to hold on to their land during the last years of the Great Depression. Central to the story are sharecroppers Ruby Lee and Cleveland Webster and John Cheney, a rich, white plantation owner who has farms and tenants and sharecroppers scattered all across the Brazos/Navasota country. Ruby Lee and Cleveland are sharecroppers on Cheney's land, but Cleveland's parents are struggling to hold on to the farm they have owned since the end of slavery. The Websters are about to lose their forty acres because of one flood too many and one final disastrous crop failure. John Cheney is rich enough to withstand droughts and floods, and as blacks lose their land Cheney buys it up. The Webster family land is next on Cheney's list of foreclosures. Cleveland thinks John Cheney also has an eye for Ruby Lee. In telling the story of the Websters and John Cheney, John W. Wilson captures the hopelessness of poor southern blacks during the Depression. Wilson succeeds with quiet authority in getting inside the mind and heart of a proud young black man. His portrayal of the Webster family is neither sentimental nor patronizing, and he avoids the temptation to which many white writers succumb of stereotyping black characters. He renders dialect without giving in to Uncle Remus spelling or minstrel-show comedy. John W. Wilson, who grew up in the town of Navasota in the Brazos country, is equally skilled at capturing the feel of a small town and the farming area around it.

The true story of the bastard son who made himself a king and the woman who melted his heart. The stirring history of William the Conqueror, Duke of Normandy, who invaded England and became the King. His victory, concluded at the Battle of Hastings in 1066, is known as the Norman Conquest. Known for her exhaustive research and ability to bring past eras to life, bestselling author Georgette Heyer tells the story of William the Conqueror, who became King of England in 1066, and his queen Matilda, the high-born noblewoman who at first scornfully spurned him. William was an illegitimate child of a nobleman, who won his dukedom through force of will, and went on to bring European feudalism to England, along with a program of building and fortification that included the building of the Tower of London. The historical novel includes Heyer's brilliant period language and her perfect grasp of the details of the day - clothing, armor, weapons, and food - making for a fascinating and blood-stirring read. Bonus reading group guide available inside. "From the moment when the infant grasped his father's sword with a strength unusual in one so young, William showed himself a leader among men. The Conqueror grew out of an incredible amount of historical research into the way of life, the way of

Get Free The Heart Of The Conqueror The Chronicles Of Matilda Lady Of Flanders Book 1

speech, the way of thought, and feeling, and praying in the Eleventh Century. Without sacrificing the flow of her plot, Miss Heyer conveys an understanding of this period, more authentic as well as more colorful than many historical tomes. It is obvious in reading this novel that Georgette Heyer is indeed a mistress of her craft." - Best Sellers "Perfect craftsmanship." - The New York Times Book Review
"Georgette Heyer achieves what the rest of us only aspire to." - Katie Fforde "My favourite historical novelist." - Margaret Drabble

HMS Conqueror is Britain's most famous submarine. It is the only sub since World War Two to have sunk an enemy ship. Conqueror's sinking of the Argentine cruiser Belgrano made inevitable an all-out war over the future of the Falkland Islands, and sparked off one of the most controversial episodes of twentieth century politics. The controversy was fuelled by a war-diary kept by an officer on board HMS Conqueror, and as a young TV producer in the 1980s Stuart Prebble scooped the world by locating the diary's author and getting his story on the record. But in the course of uncovering his Falklands story, Stuart Prebble also learned a military secret which could have come straight out of a Cold War thriller. It involved the Top Secret activities of the Conqueror in the months before and after the Falklands War. Prebble has waited for thirty years to tell his story. It is a story of incredible courage and derring-do, of men who put their lives on the line and were never allowed to tell what they had done. This story, buried under layers of official secrecy for three decades, is one of Britain's great military success stories and can now finally be told.

For lovers of thrilling adventure and grand history, the bestselling co-author of the #1 New York Times bestseller *The Dangerous Book for Boys* has written a magnificent novel with a hero for the ages: the legendary, visionary conqueror Kublai Khan. A succession of ruthless men have seized power in the wake of Genghis Khan's death—all descendants of the great leader, but none with his indomitable character. One grandson, Guyuk, strains the loyalties of the tribes to the breaking point, and another, Mongke, brutally eliminates the opposition and dispatches his younger brothers Kublai and Hulegu to far-flung territories. Hulegu displays his barbarity with the savage destruction of Baghdad and his clash with the Khan's age-old enemies, the cult of assassins. But it is Kublai—refined and scholarly, always considered too thoughtful to take power—who will devise new ways of warfare and conquest as he builds the dream city of Xanadu and pursues the ultimate prize: the ancient empire of Sung China. His gifts will serve him well when an epic civil war breaks out among brothers, the outcome of which will literally change the world. **BONUS:** This edition includes an excerpt from Conn Iggulden's *The Blood of Gods*.
"Conqueror is as real as military fiction gets. Conn Iggulden's story of one of history's most ferocious and brilliant warriors is full of lessons for our warfighters today." —Gunnery Sergeant Jack Coughlin, USMC (ret.), New York Times bestselling author of *Shooter* and *Kill Zone: A Sniper Novel*
"A rollicking, dangerous and often very gory gallop through the largest land empire the world has ever known." —Sunday Express (U.K.)
"A thrilling journey, rippingly told . . . Iggulden's most satisfying to date." —The Daily Telegraph (U.K.)
