A bodyguard... really? Sentinel city is quickly recovering from near destruction. Conryu Koda, the world's only male wizard, and, many would say, savior of the city, is enjoying the last few days of his summer vacation. His enjoyment comes to a screeching halt when he gets a call from Orin Kane, the chief of the city's Department of Magic. Conryu arrives at the Department and is introduced to the stunning Anya Kazakov. She has information the Department wants and he's the price. After the failure in Straken, Otto is forced to accept that as long as Garenland's enemies can send reinforcements through the portals, the Northern Army has no hope of taking Marduke. But Otto has a plan. Seize control of the portals and turn the enemy's strength against them. To accomplish this seemingly impossible goal, Garenland's top spies are dispatched to place magical patches on the portals in every capital. Behind enemy lines and on their own, it will be a miracle if the spies can survive, much less complete their missions. Five men will determine Garenland's future. Can they complete the mission or with they die trying?

Four Nations. One Champion. After a long Autumn, Conryu Koda is ready for a rest. His hopes are dashed when Chief Kane asks for another favor. Ratings are down for the Four Nations Tournament and having the world's only male wizard participate is just the thing to give them a boost. An exhausted Conryu has no interest in playing in an event broadcast world wide. Unfortunately for him, everyone else thinks it's a great idea. Before he knows it he's off to London for the games. But Conryu isn't the only one visiting the city. The sinister Lady Tiger is in town and she's got her eye on the other half of the broken elf artifact. Throw the stunning Heather James, scheming Malice Kincade, and an army of fanatics into the mix and ratings will be the least of Conryu's worries. Get The Four Nations Tournament now.

Nothing has gone right for Conryu Koda since learning he's a wizard. On his first day at The North American Alliance's Arcane Academy he's greeted by protestors and pelted with tomatoes. Conryu's journey down the wizard's path continues in the thrilling second book of the Aegis of Merlin Urban Fantasy Series. Get The Awakening now.

After a long and brutal conflict, the war is over. Otto controls all the portals on the continent and Garenland has made vassals of the other kingdoms. But some people can't accept defeat. While Otto hunts King Villares in Rolan, Axel chases Prince Uther across Straken. With Markane scheming to help their enemies, the future of the New Garen Empire is far from certain. Even worse, the Wizards Guild is challenging Otto for leadership of the empire's wizards and they'll use any means necessary to win. The war may be over, but the battles are far from won.

1988 is the era, Detroit is the scene, and crack is the movement. It's a time when young black men can become self-made millionaires seemingly overnight by selling dope. The crack era has become to Blacks what Prohibition was to the Italians—a time to get over! It's a time that inspires generations of street dreamz. . . Fresh out of high school, young Wink has but one thing on his mind—rollin' fresh. Infatuated by all the trappings of the game, Wink and his B-boy crew jump head first into the ills of the drug trade, determined to taste the good life. As they pay their dues and the unforgiving streets harden their hearts, they learn that all dreams aren't worth livin', and nothing lasts forever, not even friendship.

War is Hell, especially when you're surrounded by enemies. With the king of Garenland dead and the people eager for revenge, Otto and Wolfric turn their sights north, to Garenland's ancient enemy, Straken. The Northern Army marches into enemy territory while back in the capital Otto rushes to train as many war wizards as he can. Outside forces refuse to leave them alone and Otto is forced to deal with an ever-growing array of foes, unreliable allies, and an enemy that will do anything to see Garenland fall. Can Otto overcome threats both internal and external to bring the war to a victorious close?
