Perfect for fans of Raina Telgemeier and Gene Luen Yang, New Kid is a timely, honest graphic novel about starting over at a new school where diversity is low and the struggle to fit in is real, from award-winning author-illustrator Jerry Craft. Seventh grader Jordan Banks loves nothing more than drawing cartoons about his life. But instead of sending him to the art school of his dreams, his parents enroll him in a prestigious private school known for its academics, where Jordan is one of the few kids of color in his entire grade. As he makes the daily trip from his Washington Heights apartment to the upscale Riverdale Academy Day School, Jordan soon finds himself torn between two worlds—and not really fitting into either one. Can Jordan learn to navigate his new school culture while keeping his neighborhood friends and staying true to himself?

The new kid in school needs a new name! Or does she? Being the new kid in school is hard enough, but what about when nobody can pronounce your name? Having just moved from Korea, Unhei is anxious that American kids will like her. So instead of introducing herself on the first day of school, she tells the class that she will choose a name by the following week. Her new classmates are fascinated by this no-name girl and decide to help out by filling a glass jar with names for her to pick from. But while Unhei practices being a Suzy, Laura, or Amanda, one of her classmates comes to her neighborhood and discovers her real name and its special meaning. On the day of her name choosing, the name jar has mysteriously disappeared. Encouraged by her new friends, Unhei chooses her own Korean name and helps everyone pronounce it—Yoon-Hey.

New York Times bestselling author Jerry Craft returns with a companion book to New Kid, winner of the 2020 Newbery Medal, the Coretta Scott King Author Award, and the Kirkus Prize. This time, it’s Jordan’s friend Drew who takes center stage in another laugh-out-loud funny, powerful, and important story about being one of the few kids of color in a prestigious private school. Eighth grader Drew Ellis is no stranger to the saying “You have to work twice as hard to be just as good.” His grandmother has reminded him his entire life. But what if he works ten times as hard and still isn’t afforded the same opportunities that his privileged classmates at the Riverdale Academy Day School take for granted? To make matters worse, Drew begins to feel as if his good friend Liam might be one of those privileged kids. He wants to pretend like everything is fine, but it’s hard not to withdraw, and even their mutual friend Jordan doesn’t know how to keep the group together. As the pressures mount, will Drew find a way to bridge the divide so he and his friends can truly accept each other? And most important, will he finally be able to accept himself? New Kid, the first graphic novel to win the Newbery Medal, is now joined by Jerry Craft’s powerful Class Act.

A world of being new is waiting for little ones and the grown-ups who love them in this warm and funny book perfect for baby showers. From napping to crying, cuddling to playing, this book introduces the world with humor, honesty, and unmitigated sweetness. Award-winning author and artist Lucy Knisley celebrates the joys of having—and being!—a baby in this timeless celebration of new beginnings and the transformative power of love.

Provides answers to commonly asked questions such as "Why does my skin wrinkle in the tub?" and "Why do we see a rainbow?"

Brock is on the run again in New York Times bestselling author Tim Green’s companion book to New Kid. Perfect for fans of Mike Lupica or Dan Gutman’s Baseball Card Adventure series. With his strong left arm, Brock knows he can be a great quarterback, and with the help of his new friend, Mak, he has a plan to make the first team. But the coaches have plans of their own, especially for the kids from the wrong side of the tracks, which is exactly where Brock now lives. As Brock is trying to fit in, his father’s past is catching up to him—and one chance meeting causes everything to come crashing down. Will Brock finally be able to navigate his new life, or will his past force him back on the run?

Tells the story of the pop music group New Kids on the Block.

A New York Times bestseller If you work hard enough, if you want it enough, if you’re smart and talented and “good enough,” you can do anything. Except get pregnant. Her whole life, Lucy Knisley wanted to be a mother. But when it was finally the perfect time, conceiving turned out to be harder than anything she’d ever attempted. Fertility problems were followed by miscarriages, and her eventual successful pregnancy plagued by health issues, up to a dramatic, near-death experience during labor and delivery. This moving, hilarious, and surprisingly informative memoir, Kid Gloves, not only follows Lucy’s personal transition into motherhood but also illustrates the history and science of reproductive health from all angles, including curious facts and inspiring (and notorious) figures in medicine and midwifery. Whether you’ve got kids, want them, or want nothing to do with them, there’s something in this graphic memoir to open your mind and heart.

Following the international success of The Art Book for Children (Book One), this second volume features a fresh variety of paintings, sculptures and photographs by artists from the Renaissance to the present day, offering a perfect introduction to art for children everywhere. Thirty new artists, from Dürer to Hockney, appear in this book, with work specially selected to encourage children to learn and interact with art - inviting them to ask questions about why artists do what they do. With interactive features and intriguing topics for discussion, both volumes of The Art Book for Children are great fun for young readers, ideal tools for educators and parents, and perfect introductions for those approaching art for the first time.
