In 1715, pirates launched a major raid on Spanish divers trying to recover gold from a sunken treasure galleon near Florida. The nucleus of the pirate force was a group of English ex-privateers, all of whom would soon be enshrined in infamy: Henry Jennings, Charles Vane, Samuel Bellamy of Whydah Gally fame, Benjamin Hornigold, and Edward England. The attack was successful, but contrary to their expectations, the governor of Jamaica refused to allow Jennings and their cohorts to spend their ...

The pirate gang led by Sol Mon. While their actions were inherently illegal, the morals of various pirates varied considerably. Some were cutthroat brigands who were petty murderers or thieves, but others, such as Nym, had a set of morals that prohibited killing the innocent, and generally restricted their actions to the rich. Other pirates, referred to as "privateers," operated under the ...

Pirates were space outlaws and subsist on a healthy diet of the vulnerable and helpless. These criminals are known to rob and hijack civilian transports but they're not above salvaging valuable materials from downed vessels like Republic cruisers. The average pirate operates in a small ring of fellow space bandits like Hondo and his band Weequay thugs. Though they can be found in just about ...
