All the beloved, irascible Auntie Poldi wanted from her Sicilian retirement was time to enjoy sunshine, a free-flowing supply of wine, and a sultry romance with Chief Inspector Montana. But then her idyll is rudely disrupted by the last person she wants to see on her doorstep - John Owenya, detective inspector with the Tanzanian Ministry of Home Affairs, who is also her estranged, lying cheat of a husband. Not only is John's sudden reappearance putting a kink in Poldi's dreamy love affair with Vito Montana, but his presence also comes with a plea for help - and unwanted clashes with Mafia. Where is John's half-brother? What is the ten-million-dollar 'it' that John's brother was last seen with that has both the Sicilian and Tanzanian mobs in a frenzy? With only a postcard that has a phone number and a name, 'Handsome

The faster she finds Handsome Antonio, the sooner she can get John Owenya out of her hair and love-life. But the people Poldi discovers along the way may very well knock her immaculate wig askew.

Thought to be a widower living out a quiet life by the sea, Cosimo's sudden death, by gunshot to the neck, opens up his past to scrutiny. What Montalbano uncovers is Cosimo's trove of salacious photographs, used to extort young women, and a history full of greed and corruption. Montalbano, though resolved to find the killer, muses on where justice lies—in his pursuit of a suspect or with one of Cosimo's innumerable victims getting the revenge they deserved?

□Masterful . . . Brunetti allows readers to share his belief that decency and honesty can, for a little while, stave off the angst of the modern world. □ Publishers Weekly, starred review
With his hometown of Venice, Italy, beset by hordes of tourists and baking under a glaring sun, Guido Brunetti's greatest wish is to go to the mountains with his family, where he can sleep under a down comforter and catch up on his reading. But before he can go on vacation, a folder with court records has landed on his desk, brought by an old friend. It

appears that cases at the local court—hardly known as a model of efficiency—are being delayed to the benefit of one of the parties. A creative new trick for corrupting the system, perhaps, but what can Brunetti do about it? But just when it looks like Brunetti will be able to get away, a shocking, violent crime forces him to stay in the simmering city, in this atmospheric mystery in the New York Times—bestselling series. “Leon creates such a rich sense of place that reading often feels like a slow vaporetto ride through the swelteringly humid canals of Venice, past splendid bridges and palazzi with time out for tramezzini and rich Italian coffee.” —The Boston Globe
